Barlow Tyrie: a blend of traditional materials and contemporary designs

Our commitment

At Barlow Tyrie, we only manufacture furniture of the highest quality, achieved by combining the best materials with our many years of experience. Our range of furniture includes many pieces that have won design awards and are frequently copied.

As the world's oldest manufacturer of quality teak leisure furniture, Barlow Tyrie has diversified in recent years developing collections in a variety of materials. These have proved incredibly successful and feature strongly in the current Barlow Tyrie collection. Expert use of high-grade teak remains at the heart of the business and with demand for quality teak furniture on the rise, its use can be seen in several new Barlow Tyrie ranges. We make our teak furniture first grade plantation grown teak (*Tectona Grandis*) sourced from Indonesia.

The company remains a family business and is now in its third generation with Peter's sons, James and Mark, working in management and product design.

Heritage

Barlow Tyrie is associated the world over with outdoor leisure furniture that strikes the highest notes in quality and style.

Since 1920, we have remained a family business that specialises in the manufacture of teak furniture to which we have now added furniture in hand-woven synthetic fibre, Stainless Steel and powder-coated Aluminium.

Over many years we have expanded our choice of contemporary and traditional designs for the outdoor living 'room'. Our designers have combined pleasing designs with ergonomic performance to create furniture that opens life outdoors to a world of stylish possibilities.

Through our commitment to produce the world's finest outdoor leisure furniture, we remain at the forefront of this rapidly changing industry and continue to demonstrate the best in British design and manufacturing expertise.

Thank you to our existing customers and to you in choosing Barlow Tyrie and be assured that our customer service and after care match the excellence of our furniture.

1940's Product Badge

We proudly welcome you into the elite group of Barlow Tyrie furniture owners and look forward to being of service to you.

This life-size bronze of Franklin D. Roosevelt and Winston Churchill is a formal study of two great statesman, sitting chatting companionably on a Rothesay bench in Mayfair, London, England, (where Old Bond Street meets New Bond Street). This statue is called 'Allies' and was a gift from the Bond Street Association (the shops and businesses of Bond Street) to the City of Westminster to commemorate 50 years of peace. Lawrence Holofcener, a sculptor with dual nationality created this landmark and it was unveiled on 2 May 1995 by Princess Margaret.

New Ranges for 2015

Cayman

The **Cayman Range**; this style of furniture is modern, low maintenance and perfect for any outdoor living space. The range has a very contemporary design, combining a powder-coated Aluminium frame with non-stretch Textilene® sling (in 2 new colours) for the chair and sun lounger; making them comfortable without the need of a cushion. All tables are complete with our hard-wearing ceramic table top.

Cayman Range includes: Armchair, dining table and sun lounger.

For more information please see:

<http://www.teak.com/english/cayman-range.html>

Monterey

The **Monterey Range** is Barlow Tyrie's interpretation of mid-century modern design, inspired by Monterey Bay on central California's Pacific coast. An elegant set of furniture built using quality materials and refined traditional construction methods.

This refined style of a Textilene® cord chair and teak table with a ceramic table top, go together to create a truly impressive set of dining furniture. It's reassuring to 'know' that our designer and craftsman have created a 'true-classic' in the making, with style and comfort.

Monterey Range includes: Armchair and dining table.

For more information please see:

<http://www.teak.com/english/monterey-range.html>

Titan

The **Titan Range** is from our impressive new Rustic Teak Collection that uses traditional teak, cut from our A-grade of plantation grown teak, featuring knots and a varied grain pattern. This is part of the design 'charm'. The black frames are crafted from powder-coated Aluminium extrusion. The name suits this robust design that is presented in a rustic look that will appeal to a variety of tastes and outdoor locations.

Titan Range includes: Armchair, dining table and backless bench.

For more information please see:

<http://www.teak.com/english/titan-range.html>

Lavenham

The **Lavenham** seat is made from FSC certified eucalyptus, finished with a coat of teak oil. This attractive seat is built to the same exacting standards as the teak seats in the Barlow Tyrie range with beautifully smooth, wide, flat armrests, giving lots of room to relax and a handy place for drinks or books.

Lavenham includes: Seat.

For more information please see:

<http://www.teak.com/english/lavenham-range.html>

New additions to the Collection:

Equinox: Dining table 300cm rectangular, with our hard-wearing ceramic table top and Counter-height dining carver chair (USA only).

Chesapeake: Dining table 280cm rectangular and Folding carver and folding side chair.

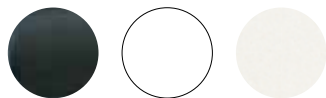

Materials: A wider selection of new Sunbrella® fabric colours and Textilene® slings, plus our hard-wearing ceramic table tops are available in 4 colours: Ash, Ivory, Storm (to special order) and Oxide.

Cayman

When ordering from the **Cayman Range**, please add correct Suffix codes for: Frame, Sling or Ceramic table top colours (see **Product Ref**). Dining tables are supplied with Parasol Hole, Blanking Cap and Reducer Ring.
