

The Excellence

RIDES OVERVIEW

FABBRI GROUP has been in the market since 1950 having sold over 1.500 rides worldwide to PARKS,

FECS, FUNFAIRS, EVENTS, MUSEUMS, FESTIVALS and other INVESTING COMPANIES.

Fabbri Group offers Ride Systems for the Amusement Industry which means the management, design, fabrication, shipping, installation supervision, testing, commissioning, training of Buyer's staff and After Sales which is required to supply a new, complete, operational and safe ride system in accordance with today's standards for the Amusement Industry.

Fabbri Group focuses on fulfilling their Buyer's requirements such as creative intent including physical motions and artistic requirements.

Our company keeps on investing in the quality of the

products rather than looking for quantity using cutting edge technology in order to respond to the ever changing world of the Amusement Industry. New products and ideas are developed every year creating new and exciting rides. New ideas are generated by our Sales Team, Technicians or Prospects. This catalogue is an overview of all the products we have developed throughout the years.

Fabbri Group also invests in building relationships rather than being interested in numbers. Our company is compact and flexible and organized to really dedicate attention to our Buyers giving them a good service in every phase of the project.

Investing in your park with FABBRI PRODUCTS means relying on a ISO CERTIFIED organization, relying on a serious AFTER SALES SERVICE and relying on years of EXPERIENCE and KNOW HOW built up in the Amusement Industry.
