

PEI-Genesis™

PRODUCT LINE CARD

You need to protect your customers' and your brand's reputation by using the highest quality products.*

SPEED

In your world, you need products quickly without any lost production time.

VALUE-ADD

Enjoy better access to the brands you trust. We provide manufacturing capabilities with distribution flexibility.

EXPERTISE

You're the expert in your products; let us be the expert for your interconnects.

PEI-GENESIS CUSTOMER PROCESS

ENGAGE Whether you meet with a PEI sales expert OR visit www.peigenesis.com, we'll get you the right solution, fast.

RESEARCH Access our online resources, 24 hours a day / 7 days a week, or contact an Applications Engineer at: techsupport@peigenesis.com

SOLVE We will work with you to identify the right parts to meet your needs.

OPTIMIZE Our work is never done. We will work with you to continue to optimize your solution.

APPROVE We make sure all technical specifications, quotes, timing, and quantities are approved by you.

MANUFACTURE We build your order to your specifications with precision and speed.

MANUFACTURERS

PEI-Genesis is an authorized distributor for the premier brands in the industry.

High reliability military and commercial interconnects

cannon veam

Amphenol®

All divisions including:

Aerospace, Alden, Air LB, Canada, Industrial, Infocom, LTW, FCI*, Oil & Gas, PCD, RF, AFSI, Sine, Socapex, Tuchel, UK Ltd.

DEUTSCH and Raychem

High reliability connectors and cable accessories for aerospace, military, and industrial applications

Custom filter connectors, transient suppression connectors, and application specific engineered solutions

SOURIAU - SUNBANK

High performance, high reliability interconnect solutions for harsh environments

High quality push-pull connectors, tools, and accessories

Interconnect products for aerospace, transportation, military, and commercial applications including Fibreco

High current, quick-disconnect power connectors for material handling, telecommunications, medical, power electronics, and other industries

* China, Hong Kong

Abbotec

Connector nutplates for military and automotive applications

E-T-A®

Circuit protection devices and power management solutions

Sure-Seal®

Environmentally-Sealed Connectors and Cable Assemblies for Harsh Environments

Aiconics

Contact installation and removal tools

Flexa

Protective conduit systems made of plastic and steel

TechFlex

Sleeving solutions and related products for the management and protection of wires, cables, and hoses

AlphaWire

Wire and cable solutions

HARTING

Connectors, device terminations, backplanes, and network components

Troxlex

PEI-Genesis is a global authorized distributor for the Trolex Falcon Series

CarlisleIT/Tri-Star

High reliability contacts and military interconnect products

HellermannTyton

Leading manufacturer of cable ties, clamps, heat shrink, and label identifiers

Trafag**

Precise production of pressure transducers, pressure switches and temperature switches

Conta-Clip

Cable grips and connection accessories

Panduit

Network and electrical solutions for wiring and communications applications

Ulti-Mate

Micro and nano connectors

Daniels Manufacturing Corporation

Connector tools for contact crimp, insertion, and extraction

Standard-K®

Circular quick-disconnect multi-pin aluminum connectors

Zippertubing Co.

Wrap-around cable management, EMI shielding, heat shrink, and tubing

Dialight

LED technology for light engines, power supplies, optics, and intelligent control

PMA

Cable protection systems

DSG-Canusa

Complete source for heat shrink tubing products and heat shrinkable related technology

Polamco

Connector backshells for aerospace and industrial applications

**North America
