Always love to put some dough on any mount with a shot at a good price.

Faltered in the stretch last out - may do the same thing.

Doesn't appear to have enough positive angles to warrant a play.

Numerous positive 'sensations' with this campaigner and her brain trust.

Out of the top half of the field last race out - expect a repeat performance.

When Gilies and Divitto partner up - the return on investment has been wonderful.

This equine is coming off of a long layoff – question mark.

Just don't think she is worth it today.

Doesn't appear to have enough positive angles to warrant a play.

This one after the last venture.
