RECEIVE A CASH REBATE OF UP TO \$250 ON YOUR HOME APPRAISAL*

With the cost of living increasing and limited cash flow, many Canadians are feeling the crunch during their retirement. Leveraging your home without having to move or sell and without the stress of monthly mortgage payments sounds almost too good to be true. It's no wonder thousands of Canadians are choosing a reverse mortgage to be part of their retirement solution.

With a CHIP Reverse Mortgage from HomeEquity Bank:

- ♦ You can unlock up to 55%** of your home in tax-free cash
- There are no monthly mortgage payments, and
- You always maintain ownership and control of your home

HomeEquity Bank is a federally regulated schedule 1 bank, helping thousands of Canadians live a better retirement for over 30 years.
