

CCOM Homelessness Project

Each year more than 3,300 persons cycle through the area's homeless shelters, including more than 700 children. Christ Church Outreach Ministries wants to participate in a joint Wake County/Catholic Charities endeavor to end homelessness within our community, and wants to know if you would like to participate. The mission is to put together a team of parishioners who will, for one year, mentor a homeless family trying to reintegrate into our economy and society and draw upon the resources of the parish to help them be successful.

Please join us for an informational session at 6:00 pm on Sunday, June 8, in the parlor. This will be an opportunity for us to go over the parameters of the mentoring process, to answer questions, and to gauge your interest in participating in this ministry. There will be no obligation to participate.
