The goal of this course is to give you the tools
you need to achieve **Income Freedom** and
put you in the “10%”

Income Freedom – The ability to earn an income without a boss or a job.

Cognitive Desistence

90% of people will never finish this (or any) course, training program, book, etc. because they believe that this will be similar to what they've done in the past and "will not work for them."

“Get Rich Quick”

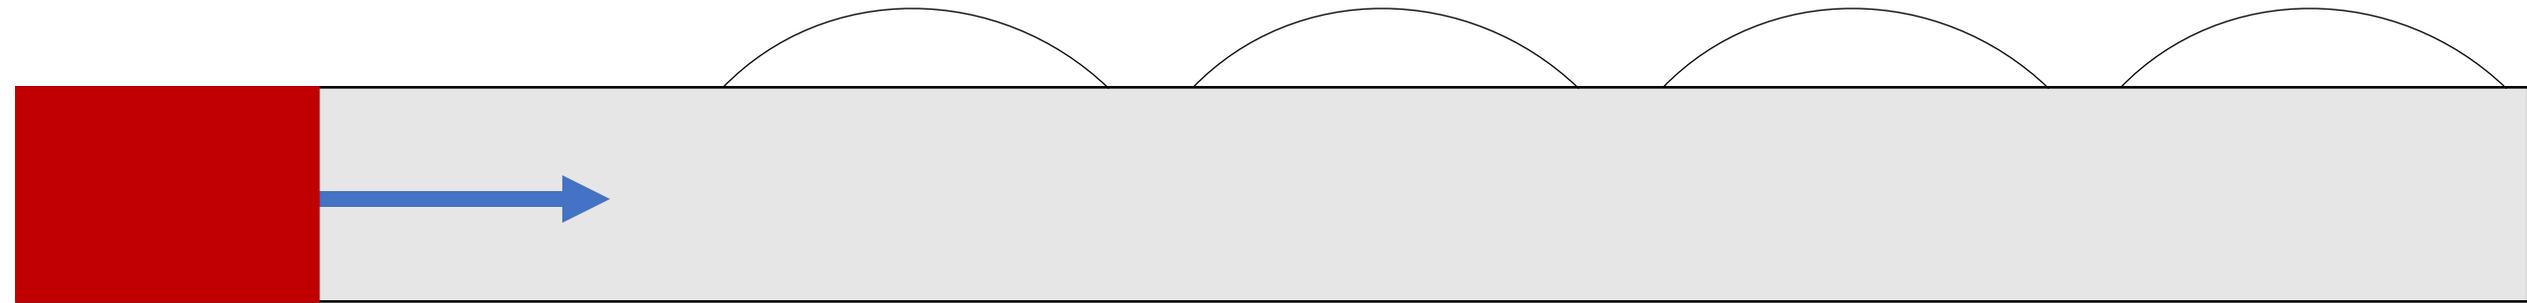

\$170,000 puts you in the top 10% of income earners in the world.

Anyone can go from \$0 to \$170,000 in income in under 6 months.

Everything Is Basically The Same

1. Idea
2. Prospect
3. Pitch
4. Close
5. Provide
6. Preserve

The Past Does Not Equal The Future

We can choose to exit the path we are on at any given time. We can also choose to stay on the new path or get back on the old one.

Growth and Empowerment Comes From Personal Responsibility.

1. You are not a victim.
2. Nobody is out to get you.
3. Most people don't even know you exist.
4. Stop using "Fake Causes" to justify where you are.
5. YOU are the reason you are where you are.
6. YOU are who will get you where you want to go.

What we do here flat out WORKS. And it's been proven to work for centuries. I will give you the tools, tactics and strategies but YOU need to take personal responsibility for your own growth and actually do something with it.
