

Pilatus.

Close to Lucerne and easily accessible by public transport, the Pilatus (2132m/6995ft) is the ideal «adventure mountain» for the whole family. Among its many cool and exciting highlights are: the world's steepest cog railway, two aerial cableways and Central Switzerland's biggest rope park. Additionally, seven restaurants and two hotels provide much needed refreshment and welcome accommodation, as well as great workshop and banquet facilities, in this wonderfully scenic location.
