

NEW YORK STATE EDUCATION DEPARTMENT

## State Aid

### 2021-2022 Definition of Charter School Basic Tuition and Supplemental Basic Tuition

Pursuant to paragraph (a) of subdivision 1 of section 2856 of the Education Law, as amended by Chapter 56 of the Laws of 2020, total 2021-22 Charter School Basic Tuition to be paid to charter schools is the lesser of:

(A) the 2020-21 Charter School Basic Tuition times a multiyear Approved Operating Expense (AOE) Growth Factor derived from the average of three year-to-year quotients in the school district's AOE (starting from aid years 2016-17 to 2017-18 and ending with aid years 2018-19 to 2019-20).

Example of Quotient determination:

The average of the following three values:

1. Quotient of 2017-18 AOE / 2016-17 AOE is 106.66
2. Quotient of 2018-19 AOE / 2017-18 AOE is 102.05
3. Quotient of 2019-20 AOE / 2018-19 AOE is 105.90

a) 2021-22 AOE Growth Factor equals  
 $(106.66+102.05+105.90)/3 = 104.87$

b) 2020-21 Charter School Basic Tuition = 15,861

a \* b = **16,633**

--OR--

(B) 2019-20 TGFE / 2019-20 Public Enrollment = **24,041**.

The 2021-22 Supplemental Basic Tuition reimbursement to school districts, payable in 2022-23, is the sum of the 2017-18 Supplemental Basic tuition plus \$500.

For more details, please refer to the CALCULATION OF 2021-22 CHARTER SCHOOL BASIC TUITION (CSBT) in SAMS for more details.
