

2013 Impreza

Love. It's what makes a Subaru, a Subaru.

Your life. Your journey. Your Impreza.

The 2013 **Subaru Impreza**

A new car is a big commitment, but wait until you find out just how committed the 2013 Impreza will be to you. Not only will it help you save at the pump, it'll reward you on the road with more comfort and versatility. And you know you can count on its trademark Subaru safety and durability to last.

Impreza 2.0i Limited 4-door and 5-door in Ice Silver Metallic and Dark Gray Metallic.

Clean

At 36 miles per gallon, it's the most fuel-efficient all-wheel drive vehicle in America.¹ And now it's also one of the cleanest—every 2013 Impreza is Partial Zero Emission Vehicle (PZEV)² rated.

Spacious

Its cabin-forward design has opened up the rest of the interior and made room for just about anything and anyone. It means there's more than enough room for you, all your passengers and your cargo.

Fun

Zippy handling. Punchy acceleration. Comfy seating. Combine these with cool technology and engaging features, and you'll never want to park.

Capable

Only a handful of compact cars offer all-wheel drive. And none of them offers the legendary traction of Subaru Symmetrical All-Wheel Drive—except the Impreza.

¹ EPA estimated fuel economy for 2013 Subaru Impreza 2.0i CVT at 36 highway MPG. Comparison based upon EPA estimated highway fuel economy for all 2012 AWD vehicles. Actual mileage may vary.
² 2013 Subaru Impreza and XV Crosstrek 2.0L, and Forester, Outback, Legacy 2.5L non-turbo models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.

Never underestimate
the power of play.

Sips fuel. Relishes every ride.

“At 36 MPG, this is the most fuel efficient all-wheel-drive vehicle offered for sale in the U.S.”¹

—Roadflytv.com, April 2012

Interior Features

Inside, the Impreza is loaded with features that put control at your fingertips and technology at your service. Thoughtful things like steering-wheel-mounted controls and available automatic climate control mean you can focus more on driving and less on fiddling. Let the available high-resolution navigation system guide you, while you guide the music with iPod® control. Hear a song you like on the radio? You can tag it for purchase with iTunes® tagging. And now you'll have a clearer view when backing up, thanks to the available Rear-Vision Camera.

Settle in. **Fall in love.**

It's compact,
but your world won't be.

Fits more, so you can do more.

Serious.

Enjoyment.

Well-engineered Safety

Above and beyond. Every Subaru demonstrates our commitment to take safety to the next level. We used high-tensile steel to give the Impreza an exceptionally strong body construction, and added seven standard airbags, including a driver's knee airbag to help protect the driver's lower extremities.¹

Fuel Efficiency

36 MPG² means you'll be able drive the 2013 Impreza more than 500 miles between fill-ups. Road trip anyone? And expect to enjoy those miles more, thanks to the smooth-performing efficiency of Lineartronic[®] CVT and the uniquely balanced SUBARU BOXER[®] engine for a truly engaging driving experience.

Subaru Symmetrical AWD

All-wheel drive isn't just for SUVs and road-hugging sports cars. The Impreza gives you the confidence-inspiring stability and traction of Subaru Symmetrical AWD with exceptional efficiency. You'll discover how many opportunities open up when your limitations fade away.

1 Always wear seatbelts. Children should be properly restrained in the rear seat.
2 EPA estimated fuel economy for 2013 Subaru Impreza 2.0i CVT at 36 highway MPG.

More space. More rewards.

It may be compact on the outside, but the Impreza is a pretty big deal. It's big on shoulder room and legroom—even for rear seat passengers. It's big on cargo room with up to 52.4 cubic feet of easy-access space. And it's big on interior rewards with generous use of soft-touch materials and modern, refined design.

Agile Handling

Curvy roads will be your new playground. The Impreza was built for enthusiastic driving with a tight, athletic suspension that's both precise and incredibly responsive.

Bluetooth[®] Hands-free

Stay connected, stay entertained, but keep your hands where they belong. The Impreza comes standard with both Bluetooth[®] hands-free calling and audio streaming—allowing you to make calls and stream music—all without wires.

Which Impreza is yours?

TRACTION AND STABILITY		
Symmetrical All-Wheel Drive	Standard	Standard
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

Make your Impreza truly yours.

All-weather Floor Mats

Custom-fitted heavy gauge floor mats help protect the vehicle carpet from sand, dirt and moisture.

Not intended for use on top of carpeted floor mats.

Trunk Spoiler

Enhances the performance look of the 4-door Impreza. Features an integrated LED brake light and comes pre-painted to match your Impreza.

Remote Engine Starter

Allows vehicle to start from the convenience of home or the office (up to 400 feet away depending on obstructions) so that the vehicle interior temperature is more comfortable. Remote confirms when vehicle engine has been started.

A/T only.

Body Side Moldings

Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Sport Mesh Grille

Bold metal mesh design that adds an aggressive look to the Impreza. Grille comes pre-painted and ready to install.

Fog Lamp Kit

Casts a low and wide beam of light to enhance vision in inclement weather. Kit includes chrome surround bezels.

Front Underspoiler

Two-piece design integrates into the front end to help create a unique, custom appearance. The Front Underspoilers are pre-painted and easily installed onto the front end of all Impreza models.

Roof Cargo Carrier

Provides 13 cubic feet of lockable storage capacity. Opens from rear to accommodate loading from three sides. Measures 56"L x 36"W x 18"H.

Requires Crossbar Kit. Consult vehicle Owner's Manual for total roof load limit.

Rear Seatback Protector

Helps protect 5-door rear seatbacks from dirt and spills when the rear seats are folded flat.

Side Window Visors

Designed to let the fresh air in while helping to keep the rain out of the vehicle. Black acrylic plastic construction is designed specifically for an exact fit on the Impreza models.

May not be legal in all states. Please check the laws of your state.

Auto-dimming Mirror with HomeLink®

Mirror darkens when headlights are detected. Includes a compass and three HomeLink buttons programmable for most garage door openers and other HomeLink-compatible devices.

Rear Cargo Tray

Helps protect cargo area from dirt and spills while providing a surface that helps reduce the shifting of cargo when driving. Also available for Impreza 4-door models.

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 96% of all the vehicles we've built in the last 10 years are still on the road today.¹ We also share your desire for a cleaner, greener world and now we're taking it one step further. Every 2013 non-turbo Impreza and Forester model, XV Crosstrek and select Outback and Legacy models have achieved Partial Zero Emission Vehicle—PZEV²—status because of their exceptionally low emissions. What's more, in 2004 Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero landfill status—nothing from its manufacturing efforts ever goes into a landfill.

¹ Based on Polk registration data in the U.S. 2002–2011. ² 2013 Subaru Impreza and XV Crosstrek 2.0L, and Forester, Outback, Legacy 2.5L non-turbo models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states.
