

2013 Legacy

Love. It's what makes a Subaru, a Subaru.

A red 2013 Subaru Legacy is shown from a front-three-quarter perspective, driving on a two-lane road that curves into the distance. The sun is low on the horizon, creating a strong lens flare and casting a warm, golden glow over the scene. The landscape consists of rolling hills and a body of water in the background. The car's headlights are on, and its motion is emphasized by a slight blur on the road surface.

Working the corner office
or simply chasing the corners.

The 2013 **Subaru Legacy**

There's a sense of satisfaction in doing things differently than the rest. Like building a sedan that offers surefooted handling and refined smoothness. Intelligent engineering, with Lineartronic® CVT that gives you more performance for less fuel (32 mpg)¹, and Subaru Symmetrical AWD, designed for quick response and excellent control. And Legacy now offers EyeSight,[™] an innovative driver-assist system that helps the driver watch for and avoid trouble ahead.² These virtues working together harmoniously in the Legacy deliver the confidence to relish every curve when you chase the things that matter most to you.

¹ 2013 EPA fuel economy estimates. Actual mileage may vary.

² EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, and weather and road conditions. See Owner's Manual for complete details on system operation and limitations.

Good ideas **fuel** great drives.

PIONEER
SQUARE
RETAIL

"...that rare blend of plush comfort for all passengers combined with all-weather performance prowess backed up by excellent crash-test scores and predicted reliability ratings."

—Vehix.com

Connect your drive in real time.

Making enjoying every drive easier is the goal of what's inside a Legacy. Bluetooth® wireless capability allows you to make calls hands-free and stream music from your Bluetooth-enabled phone or MP3 player. Navigation can be controlled by voice or touch-screen. And because being comfortable is just as important as being connected, your passengers will appreciate the spacious headroom and legroom located throughout.

Comfortable. Refined. **Accommodating.**

There's more to a Subaru than meets the eye.

The most important thing a Subaru can do is protect the people in it. We're always looking for better ways to do it, and now the Legacy is available with an innovative new driver-assist system that's watching the road with you: EyeSight.^{TM1} Like a second pair of eyes to help monitor the road ahead, it watches for potential danger, warns you when it sees potential danger, and can even adjust your speed to help you avoid it.

¹ EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, and weather and road conditions. See Owner's Manual for complete details on system operation and limitations.

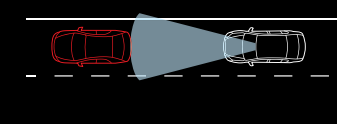

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSightTM warns you, applies brakes to help avoid, and at lower speeds can even help you stop your Subaru.

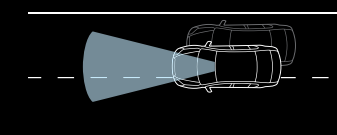

Pre-Collision Throttle Management

You put the car in Drive instead of Reverse. EyeSightTM cuts power when it sees an object in your path to help you avoid accelerating into it.

Adaptive Cruise Control

Traffic doesn't always flow, so EyeSightTM doesn't only keep a set speed. The system looks ahead and helps automatically adjust to keep your distance, even in stop and go highway traffic.

Lane Departure and Sway Warning

You accidentally drift to the edge of your lane and begin to cross into another. EyeSightTM watches for lane markers and chimes to warn you before you leave yours.

The forecast calls for
complete composure.

Smart ideas for the drive and the driven.

Power

With a choice of a new 2.5-liter 173-hp engine with available Lineartronic® CVT, or a 256-hp 3.6-liter engine with 5-speed automatic transmission, you are sure to find a Legacy that matches your performance needs.

CVT

Newly refined, the Lineartronic® CVT can reduce the amount you spend on fuel by eliminating the need to shift, thereby preserving momentum with smooth, continuous power. In automatic mode, it infinitely adjusts the transmission to match your immediate driving needs. Or use the paddle shifters and 6-speed manual mode for quick access to power and torque on the fly.

AWD Control

The traction and balance of Subaru Symmetrical All-Wheel Drive and the stability of the SUBARU BOXER® engine provide you with the responsiveness to seize the road and readiness to react to hazards. Legacy also comes standard with VDC electronic stability control, which can detect a loss of control and intervene to help keep you on your intended path.

Suspension

Its retuned suspension enhances handling by reducing body roll. The double-wishbone rear suspension deflects the worst of the bumps without unsettling the chassis. With MacPherson struts up front, it's a tight, yet supple ride that always leaves you feeling in touch and in control.

Innovative Safety

An IIHS Top Safety Pick for seven years running (2006–2012),¹ the Subaru Legacy is comprehensively engineered to keep you safe on the road. And now it's available with EyeSight™, an innovative new driver-assist system that monitors the road ahead and if necessary will deliver a warning or even apply brakes to help your Legacy avoid an accident.²

Technology

Available features like dual-zone climate control help keep you comfortable, while a USB for your iPod®, HD Radio™, SiriusXM™ Satellite Radio³ and Bluetooth® hands-free connectivity keep you connected and entertained.

¹ Ratings based on Insurance Institute for Highway Safety's (IIHS's) 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. For more information, contact IIHS or visit their website at www.iihs.org.

² EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, and weather and road conditions. See Owner's Manual for complete details on system operation and limitations.

³ 3-month trial subscription included when a dealer- or port-installed accessory or a 4-month trial subscription included as part of the Harman Kardon premium audio system. Activation and required monthly subscription sold separately. See your dealer.

LEGACY® Trim Levels

2.5i

- 173-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- 16-inch steel wheels with covers
- Cloth upholstery
- Silver metallic interior trim
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- 4-speaker single-CD audio system with Bluetooth® connectivity and USB port/iPod® control

2.5i Premium

- 173-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- Lineartronic® CVT (Continuously Variable Transmission)
- Cloth upholstery
- Silver metallic interior trim
- ▲ 17-inch aluminum-alloy wheels
- ▲ 10-way power adjustable driver's seat. 4-way manually adjustable front-passenger's seat
- ▲ 6-speaker single-CD audio system with Bluetooth® connectivity and USB port/iPod® control
- ▲ Leather-wrapped 3-spoke steering wheel and shifter handle

2.5i Limited

- 173-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- Lineartronic® CVT (Continuously Variable Transmission)
- 17-inch aluminum-alloy wheels
- Leather-wrapped 3-spoke steering wheel and shifter handle
- ▲ Leather-trimmed upholstery
- ▲ Woodgrain-patterned accent interior trim
- ▲ 10-way power adjustable driver's seat. 4-way power adjustable front-passenger's seat.
- ▲ Dual-zone automatic climate control system with center console rear vents
- ▲ 440-watt Harman Kardon single-CD audio system with SiriusXM™ Satellite Radio, Bluetooth® connectivity and USB port/iPod® control
- ▲ Electroluminescent gauges with LCD color display
- ▲ All-Weather Package
- ▲ Optional EyeSight™ Driver-Assist System

3.6R

- 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 5-speed automatic transmission
- 17-inch aluminum-alloy wheels
- Cloth upholstery
- Silver metallic interior trim
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- 4-speaker single-CD audio system with Bluetooth® connectivity and USB port/iPod® control

3.6R Limited

- 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 5-speed automatic transmission
- 17-inch aluminum-alloy wheels
- ▲ Leather-wrapped 3-spoke steering wheel and shifter handle
- ▲ Leather-trimmed upholstery
- ▲ Woodgrain-patterned accent interior trim
- ▲ 10-way power adjustable driver's seat. 4-way power adjustable front-passenger's seat.
- ▲ Dual-zone automatic climate control system with center console rear vents
- ▲ 440-watt Harman Kardon single-CD audio system with SiriusXM™ Satellite Radio, Bluetooth® connectivity and USB port/iPod® control
- ▲ Electroluminescent gauges with LCD color display
- ▲ All-Weather Package
- ▲ Optional EyeSight™ Driver-Assist System

▲ Additions or differences from preceding trim level.

LEGACY® Specifications

ENGINE AND DRIVETRAIN

	2.5i	3.6R
Engine	2.5-liter DOHC aluminum-alloy 16-valve horizontally opposed 4-cylinder SUBARU BOXER® engine with Active Valve Control System.	3.6-liter DOHC aluminum-alloy 24-valve 6-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System.
Power	173 hp @ 5,600 rpm	256 hp @ 6,000 rpm

Manual transmission	Fully synchronized 6-speed manual 2.5i: Standard 2.5i Premium and 2.5i Limited: Not available	Not available
Automatic transmission	Lineartronic® CVT (Continuously Variable Transmission) with 6-speed manual mode and paddle shifters. 2.5i: Optional 2.5i Premium and 2.5i Limited: Standard	Standard 5-speed automatic with manual mode, paddle shifters and downshift rev-matching control.
CA Emissions	LEV2/PZEV¹	LEV2/ULEV2

TRACTION AND STABILITY

Symmetrical All-Wheel Drive	Standard	Standard
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	

FUEL

Fuel economy (city/highway/combined)²	Manual: 21/28/24 mpg CVT: 24/32/27 mpg	18/25/20 mpg
Fuel requirement	Unleaded gasoline (87 octane)	Unleaded gasoline (87 octane)
Fuel capacity	18.5 gallons	18.5 gallons

CHASSIS

Steering	Quick-ratio power-assisted rack-and-pinion. Turning circle: 36.8 feet.	
Suspension	4-wheel independent. Front: MacPherson strut type. Rear: Double-wishbone. Front and rear stabilizer bars.	
Brakes	4-wheel disc. 2.5i models: ventilated front. 3.6R models: ventilated front and rear. 4-channel, 4-sensor ABS with Electronic Brake-force Distribution (EBD).	
Brake discs (front/rear)	11.6 inches/11.3 inches	12.4 inches/11.4 inches
Brake Assist	When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied.	
Brake Override System	If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.	

WHEELS AND TIRES

Wheels	2.5i: 16 x 6.5-inch steel with covers 2.5i Premium and 2.5i Limited: 17 x 7.0-inch 5-split-spoke aluminum-alloy	17 x 7.0-inch 5-split-spoke aluminum-alloy
Tires	2.5i: 205/60 R16 91V all-season 2.5i Premium and 2.5i Limited: 215/50 R17 90V all-season	225/50 R17 93V all-season

1 2013 Subaru Impreza and XV Crosstrek 2.0L, and Forester, Outback, Legacy 2.5L non-turbo models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2013 EPA fuel economy estimates. Actual mileage may vary. 3 XM® Satellite Radio hardware standard as part of Harman Kardon audio system. XM® NavTraffic part of Navigation System Package. Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your dealer. 4 Not available with Crystal Black Silica exterior color. EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, and weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. The Pre-Collision Throttle Management System is designed to reduce acceleration and minimize the severity of certain frontal impact. Adaptive Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving. The Lane Departure and Sway Warning operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. 5 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. 6 Requires optional All-Weather Package. 7 Requires optional moonroof. 8 Requires optional Navigation System Package.

Make your Legacy truly yours.

Crossbar Set Fixed — Sedan

May be used in conjunction with most Genuine Subaru roof attachments and carriers. Additional mounting clamps required.

All-weather Floor Mats

Custom-fitted, heavy-gauge protective mats. Helps protect vehicle's carpet from sand, dirt and moisture.

Not intended for use on top of carpeted floor mats.

Trunk Tray

Helps protect trunk area from stains and dirt while providing a surface that helps reduce shifting of cargo while driving.

Body Side Moldings

Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

Trunk Spoiler

Sleek, low-profile design adds just the right amount of attitude to your Legacy. Comes pre-painted and ready to install.

Auto-dimming Mirror with Compass and HomeLink®

Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three HomeLink buttons that are programmable for most garage-door openers and other HomeLink-compatible devices.

Fog Lights

Cast a low and wide beam of light to enhance vision in inclement weather.

Side Window Deflectors

Let the fresh air in while helping to keep the weather out. Deflector design includes integrated chrome insert to match window frame trim.

Side Window Deflectors may not be legal in all states. Please check the laws of your state.

Splash Guards

Help protect the vehicle's paint finish from stones and road grime.

Rear Seat Entertainment System

Rear Seat Entertainment System includes two 7" LCD monitors and two DVD players integrated into the replacement front seat headrests. This dual screen system allows rear passengers the option of viewing movies, listening to music or playing games either simultaneously or independently. Individual DVD players may be controlled with control buttons on each front panel or with the included remote control. The system includes wireless headphones*, is iPod® ** and MP3 compatible, and includes an A/V jack for connecting external inputs.

*Headphones are for rear passenger use only. **iPod accessory is not included.

Remote Engine Starter

Allows vehicle to start by pushing a button from the convenience of home or the office (up to 400 feet away depending on obstructions) so that the vehicle's interior temperature is more comfortable upon entry. Remote confirms when vehicle engine has been started.

A/T Only—Excludes Keyless Access and Start System. May not be installed in conjunction with accessory Mobile Internet.

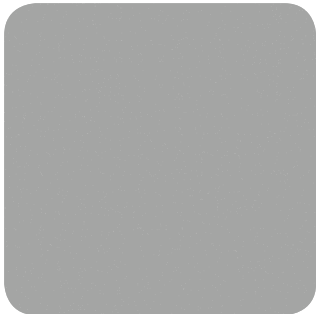

Puddle Lights

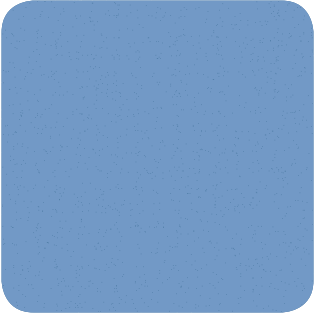

LED lights activate when vehicle doors are unlocked using the keyless entry. A soft glow illuminates the ground, aiding entry and exit of the vehicle.

These brochures were printed with vegetable-based inks and produced using a “Green Printing Process” and FSC® standards. The Forest Stewardship Council™ (FSC) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 75 trees preserved for the future; 34,103 lbs solid waste not generated; 7,563 lbs net greenhouse gases prevented; 30,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 96% of all the vehicles we've built in the last 10 years are still on the road today.¹ We also share your desire for a cleaner, greener world. The Forester, Impreza, XV Crosstrek, Legacy and Outback have all been recognized with Partial Zero Emission Vehicle—PZEV²—status because of their exceptionally low emissions. What's more, in 2004 Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero landfill status—nothing from its manufacturing efforts ever goes into a landfill.

Find out more about our efforts to
keep it cleaner and greener.
