"What's in a Name?"

*Series on the Book of Exodus*

Sermon Text: Exodus 3:13-22

Discussion Questions:

1. Why does God name himself? Think about the significance of names and what their functions are. Why is it so significant that God has given himself a name?
2. Now, what is the significance about the actual name that God gives himself, "I am who I am"?
3. How does Jesus use the meaning of God's name in John 8:39-59 to expose the proud nature of the Pharisees' hearts while revealing His own divinity?
4. In some way, we seek to "make a name for ourselves." In what ways may you seek to make name for yourself or to find your identity in? *Be specific and use examples*
5. How is it that hearing God's name, "I am who I am," reminds us of who we are in Christ?
