

I have a plan to do the best
work I can
I put my mind to it
And use my effort through it
I can see my goal
The path is clear
Step by step, it's getting nearer
I have a plan to do the best
work that I can

Watch Archie sing the
Do the Best You Can song

page 2

Read the steps to doing the best you can with
your child. Then take turns showing each other
how you do the best you can. Praise your child for
doing the best he or she can.

Parents,

Here's how to do the best you can:

- Tell yourself "you can"
- Do neat work
- Work on one thing at a time
- Remember it's okay to make mistakes—you can fix a mistake or do better next time.

Trace with a pencil, then
color the picture of Archie.

Parents,
Ask your child...
How does doing
the best you
can help you in
school?
What makes it
hard for you to
do the best you
can sometimes?
