What does doing your best look like?
Circle the picture of Archie doing his best

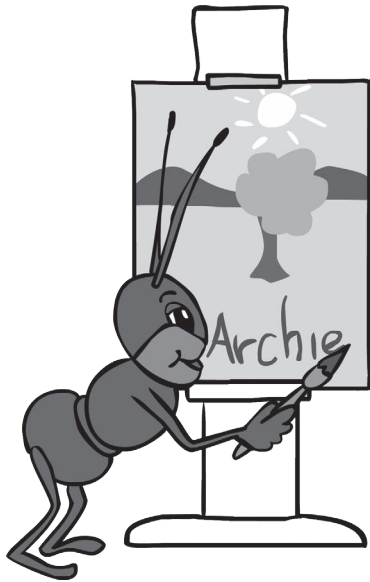

page 4

Parents,
Ask your child...
How does doing
the best you
can help you in
school?
What makes it
hard for you to
do the best you
can sometimes?

Trace with a pencil, then
color the picture of Archie.

Here's how to do the best you can:

- Tell yourself "you can"
- Do neat work
- Work on one thing at a time
- Remember it's okay to make mistakes—you can fix a mistake or do better next time.

page 2

I have a plan to do the best
work I can
I put my mind to it
And use my effort through it
I can see my goal
The path is clear
Step by step, it's getting nearer
I have a plan to do the best
work that I can

Archie is doing the best
work that he can.

Parents,
Take turns showing each other how you do the
best you can. Praise your child for doing the
best he or she can.

page 6

Parents,
Talk about this with your child...
Archie has some math problems to do, but he's
afraid he won't get them all right.
What can he do?
