Course Description

This course examines the morphology, vocabulary, grammar, syntax, and structure of Biblical Hebrew to equip the student to translate and parse the Bible in its original language.

Course Objectives

By the end of the class, the student should be able to

1. Identify parts of speech, verb tenses, and elements of Hebrew sentence structure.
2. Translate verses with the help of a Lexicon.
3. Read Hebrew aloud with proper pronunciation.

Required Texts

20%: Chart Quizzes

20%: VOCAB Quizzes, 2 Lowest Quizzes dropped.

10%: Completed Workbook Exercises

Assignments

Each class module consists of the following requirements.

1. Watch any necessary videos until the content is comprehended. The comparable textbook pages are listed in the syllabus, using the *Third Edition*.

2. Memorize necessary charts and vocabulary.
3. Take each lesson's vocab quiz, covering all words in each list occurring more than 70 times as noted in the parentheses within the list in Van Pelt/Pratico. All Vocab quizzes are taken through Canvas. There will typically be 11 questions, but the quiz is out of 10. Thus, 1 extra bonus point is available each quiz.
4. Complete the workbook exercises assigned in the syllabus that are not completed on the Workbook Video for each class session. **AFTER** completing the workbook exercises, correct your work in a different color pen/pencil using the answer key posted on canvas. After correcting, email/text a picture of the completed pages to the professor. NOTE: Workbook videos use the *Third Edition*.
5. Contact the professor if there are any questions.
6. Grammar quizzes can be obtained by emailing the professor. The grammar quizzes are **NOT** open book.
