

Membership in Christ's Church

In the New Testament, belonging to the church was an essential part of growing in grace. While we do not have a scriptural “book of church order” that describes exactly how people were ‘added to the church’ in the apostles’ days, we are able to see several important biblical principles that control our understanding and practice of church membership.

1.

2.

3.

Application:

1. Do you belong to a family like this?
2. How can you grow in your participation with Christ's church?
