From the Pastor

Dear Church Family,

From time to time it is good for the church to have a family gathering to discuss the state of the church.

The Session has determined that after morning worship on Sunday, March 17, we will have a *state of the church meeting* to inform the congregation about our church's present position and opportunities.

Please make plans to attend the meeting. Our hope is that after a 25-minute presentation and whatever questions you may have, your lunch won't be too delayed!

Our first goal is to *inform* the congregation with various updates on church finances, projects and other necessary actions taken that are advancing our ministry.

Our second goal is to *educate* the congregation in areas of need so that we will all be informed together about the church's present and long-term needs.

Our last goal is to provide you with opportunity to *engage* in the church's overall ministry, both in the present and for the long-term.

Our Lord changes us by His grace and uses our time, talents, and treasures to advance His purposes on the earth. At this meeting, our hope is to *inform, educate, and engage* the congregation to do the work of the church for God's glory.

Please mark your calendars for **Sunday, March 17** after worship. We hope that all members and any interested visitors will attend.

Grace to you,
