

“Orientation & Salvation”

Ephesians 2:1-22

Rev. Geoff Downey

October 9, 2016

How do you find your way?

What do you use to *orient* yourself in this life?

1) Dead in Sin – vv. 1-3

a. Do you own this about your condition apart from Christ?

2) Saved by Grace – vv. 4-10

a. What is that great transitional phrase turning us from death to life?

3) Citizens of Heaven – vv. 11-18

a. What is the key cross-reference from Philippians?

4) God's Dwelling Place – vv. 19-22

a. What are the *three* expressions used here to describe the church?

Conclusion:

➤ Each new believer and each generation of believers is seen as being placed and fitted into God's universal structure, His church, His Body, the Bride of Christ that Jesus the Bridegroom will return for one day.

➤ *Are you ready, Church!?*

➤ Say with me then **(Rev. 22:20)**...“*Come, Lord Jesus!*”
