Short-Term Outreach, Relief & Missions

More Prayer...More Bible Study

Praying at all times in the Spirit...Ephesians 6:18 (ESV)

As summer draws near--and STM options are being considered, teams are being gathered, and trips are being prepared for--it can be really helpful and encouraging to hear from those who've gone before. The *two most frequent* responses to the 2018 STM survey question, "What could you have done to *better prepare* for your short-term missions trip," were:

"More prayer"50% of respondents
"More Bible study"40% of respondents

Prayer and Bible study were also described as a *benefit* of short-term missions in response to the question, "What is one way you grew as a Christian during your STM trip?"

- I prayed a lot more on the trip than I normally do in the USA, because my need for and dependence on God was more apparent in Haiti.
- I depended on the Lord in prayer heavily through the week.
- I learned a better, more focused, way to pray.
- I learned the value of spending time in God's word daily, something I always knew but never really saw fleshed out.
- I have grown in my love of prayer and study of God's word.
- I grew in prayer, and I am happy to say I pray more than ever.
