

WAYS TO EARN SCHOLARSHIP MONEY FOR THE 2018 BREAKAWAY RETREAT

Each person is responsible to pay for at least \$25 of his or her retreat. This is done to guarantee that you will not back out last minute. The \$25 secures your spot. You can earn the rest though. Have fun and learn lots as you do.

#1 – Read a book and fill out a summary report = \$10 off per report

This will be a book that Mike chooses from his book collection or one that you get permission from him to read. Check with him first though. He will need a 2-page summary of the book, what it talked about and what it means for you and your personal walk with the Lord. It cannot be a book you have done a report for school. This must be handed in by February 9th.

#2 – Bible Memorization – all approved by Mike

\$50 if you memorize a whole book (multiple chapters)

\$15 if you memorize and repeat the whole chapter in one sitting

\$5 if you can recite various other passages Mike will give you

#3 – Bring a friend = \$30 off for you OR for your friend – who has never attended youth group at Trinity. You can split the \$30 with your friend.

#4 – Family Discount = \$15 off for second family member and \$20 off for the third, fourth, fifth, etc. family member.

#5 – Video - \$25 – Make a creative video highlighting issue teens are facing today. Do interviews and make points. Get approval from Mike first. Hand in by Feb. 9th

#6 – Service Project = \$15 – You do some kind of service in the community as a witness to someone without getting paid. I want you to write a summary of your experience and how it challenged you spiritually in your walk with Christ. What lessons did you learn? **Approve the activity with Mike.**

#7 – Devotional Book = \$15 – do the youth group devotional 25-30 of the days – showing you answered the questions fully.
