Kids Club 2025

Kids Club is just about to start for the 2025-2026 school year! It'll be a great year! We'll have 2 year olds to 5th graders in our group that meets on Wednesdays. During each meeting, they'll get to sing songs, give to different missionaries and Christian groups, memorize verses, learn a Bible lesson, and enjoy some time playing. They'll get a chance to make friends, as well. We're thankful for all of the help that we've needed to pull this off. Adults and students have all gathered together to help teach the children of our church, friends, and ESL. We're looking forward to a new year!

Come join us!

August 2025

A happy surprise!

This year, for VBS, we collected for a camp that our Japan missionaries, the Coulbournes & the Kuehs, are planning on hosting at the end of this summer. We planned to give them \$1000, *if we could raise it*. Up until Friday's offering, we only had \$430.08. It was looking a little bleak. We took our offering on Friday morning, and when it was all counted out, the offering came to...are you ready?...\$1,208.53, bringing us to \$1,638.61! After VBS was over, they realized that they had miscounted and the offering came to around \$1,900. That's amazing! The Coulbournes thanked everyone who gave so generously and for Trinity's heart to see Japanese people meet Jesus.
Praise God from whom all blessings flow!

What's up?
