Trinity Children's Ministry Newsletter

Here we are!

We're back! Kids Club 2025-2026 (for the school year) is about to start up again. We're so excited for it. If you're 2 years old to 5th grade, come on out! It starts on September 10th and runs from 6:30 to 7:45. We have singing, missions collections, memorizing verses, teaching from the Bible, and gym time. What more can you ask for? The teachers are delighted to have Kids Club for our children and will do their best to nurture them in the Word of God. Please come out for it--you won't regret it!

The Ashbaughs & the conference

This September to mid-October, we'll be collecting money for the Fall Conference down at Winthrop University in South Carolina. Mark and his wife, Katherine, look forward to this event each year. Some of the students use the scholarship that RUF gives every fall semester. We're helping them to raise the money for the scholarships. So, bring in some of your coins & dollars to help out the Reformed University Fellowship with their students that attend the conference.
