SEPTEMBER 2025

LOOK UP! LOOK IN! LOOK OUT!

There are three things we are focusing on in our youth ministry this year. The first is discipleship. I know. I hear the question. Weren't you already doing that? Yes, of course. But as we sat as a leadership team and brainstormed what is discipleship, we want to be more intentional in how we encourage and push our kids to learn, grow and serve in the church.

A second point of focus will be Isaiah 6. This is Isaiah's vision of the Lord and the angels who take coals and touch his lips. He is forgiven. Flowing through our youth ministry this year, based on this passage is the phrase: Look Up! (See the Lord, who He is and what he continues to do in and through you.) Look In! (As we look up and see God, we won't be able to help but see our own sin and frailty.) Look Out! (How do we take and share what God has done for us with others). I am excited to make this a focus in our youth group this year.

The last point of focus will be the idea of, "we are on a nine month mission trip." So many times we look forward to summer being our missions trip. But we want to encourage and challenge the students that we are on mission in our families, schools, jobs and we need to be serving and representing the Lord. We will pray for each other and for ministry opportunities during the week. We will have a regular sharing of testimonies at youth group to encourage one another.

Pray for us this year. Pray for our students to learn and grow in their faith. Pray for the adults to teach and model what it means to follow Jesus. Thank you!
