TRINITY KIDS

Trinity Children's Ministry Newsletter

Two thousand years ago, the Savior, Jesus Christ, was born on earth in a manger. The only visitors were shepherds. It was an uncanny birth--not what you'd expect for our Redeemer. And yet, He lived a sinless life and died for our sins, rising again in three days. It's amazing what He has done for us! We need to be aware of what has happened--that we were chosen by God, saved by His Son, and sanctified by the Holy Spirit. What an act of kindness that God has done for us! We need to remember this and continue to thank God for what He's done for the church and in our lives.

Tracts

Shibū & Mary Oommen are the regional coordinators for Evangelism Explosion.

They are actively involved in weekly outreaches to the local communities, including two college campuses. Shibū &

Mary Oommen are the regional coordinators for Evangelism Explosion. Right now, they need tracts (which is a short religious pamphlet that leads people to Christ). We're collecting money until January 28th. Let's get on board and show them how we collect money for Christ's sake!
