The name of the Lord...

The primary & sacred name of the Lord in Hebrew is YHWH. We often use it as Yahweh or Jehovah, representing the eternal and self-existing One. His name is often referred to as "I AM WHO I AM"--which is distinctively God's self-declaration to Moses in Exodus 3:14 (which says, "God said to Moses, 'I AM WHO I AM.'"). God appears to Moses in a burning bush that is not consumed by the fire. The name is self-existence as the dependable, present God who is always there and is not dependent on anyone or anything else. In the New Testament, this divine authority is associated with Jesus Christ. In John 8:58 He declares, "Truly, truly, I say to you, before Abraham was, I am." Jesus announces that it is He who is existent independently of any other being or cause. We serve a God who was and is and always will be. How marvelous is our God, and He is greatly to be praised!

The Morrisons & their Camps

We're supporting Brooke & Jeanette Morrison this month & part of next month. They are with Child Evangelism Fellowship. They're praising the Lord that they will be adding another international day camp this summer in July, mostly to Nepali and Bhutanese children. They already have a day camp like this, and so this will make two that reach out to our Nepali community. Then they'll run a full day camp in Hummelstown, which has been going on for many years now. Any help with these camps would be appreciated. For guidelines, they would say many of their prizes come from *5 & Below*. We're going to raise money for them which then they go out and get prizes. So, find your change and dollar bills and bring it in until March 11th!
