## FEBRUARY 2026

### MISSION, MISSION, WE ARE ALWAYS ON MISSION

One of our emphasis at youth group each week is we are always on mission. There is not a time when we take a vacation day or a break. Our mindset should be we are sent every day to school, work, sports, our family, and our neighborhoods as missionaries. Yet, that is often not our mindset. We think of missions as a trip we take each summer to West Virginia, Washington DC or places like London or Gambia. God makes it clear in Acts 18 that our mission starts in Jerusalem - that is here at home and extends in circles out from there into all the world. If this is all true, it is critical that we are continually being trained to serve in our mission fields. We need to be committed to reading the Bible and meditating on it. We need to be on our knees in prayer asking God to open doors for ministry but also to have the words to give to people who ask us for the hope that we have in Christ. It means we need to desire each week to gather with God's people where we can be equipped, encouraged and sent out to minister in Christ's name. This makes our gathering together so valuable.

I hope everyone will take advantage of the resources given to us to equip us and encourage us in this task, including the most important, worship each Sunday. We have the added opportunities of youth group, prayer meetings, Sunday School and the list can go on.

One thing I want to encourage you to take advantage of February 20-22<sup>nd</sup> is our missions conference. This is not just for adults but the whole church. Friday night the 20<sup>th</sup> from 6:30 to 8 we will have the opening challenge and a cookie reception. On the 21<sup>st</sup> from 8:30 to 12:15 we will have breakfast, hear reports and end with a concert of prayer. On the 22<sup>nd</sup> during Sunday School we will hear reports and then conclude with evening worship where the youth will join in. Make this a priority this year. You are a missionary here in Harrisburg.
