July 2026

Summer Missions Trips

Youth and adults from Trinity participated in two missions trips in June. One team served with One Voice Fellowship in Falls Church, VA and the other served beside the Irvine and Serge in London. God was at work in and through these teams, using them to encourage our missionaries, and stretching the team members in their faith. Each team will report on their trip during Sunday School on July 26th. Thanks for your prayers for these teams. Pray for continued fruit in the lives of those who went and served. Pray for the churches where supported missionaries continue to serve and that people who we contacted will come into the doors of the church. Talk to those who went and hear stories of what God did in and through them in their week of service. Prayerfully consider how you might be a part of a short term mission team next summer.

Summer Youth Group

The youth have been active this summer. Guys and girls groups have been meeting for a time of fellowship, some hiked the Appalachian trail, others were able to "light up" Pastor Hayward in laser tag. Most importantly the youth have continued to read and study through Hebrews, hoping to finish the study by the end of the summer. It has been a blessing to study God's word together. Please pray our students would continue to desire to learn and grow in their faith.

Student Leadership Team

Trinity's youth group is calling all students to prayerfully consider being a part of the student leadership team this coming school year. Adam Morcos, our intern, will lead this group, provide training and encourage growth as leaders in Christ's church. Application are available and Wednesday, August 26th we will have a leadership gathering to sing, pray and cast a vision for the new year in youth group. Mike and Adam hope you will give thought and prayer into how you can be encouraged and challenged as a student leader at Trinity and at the schools where God has placed you. See Mike or Adam if you have any questions about this opportunity.
