

## Sharing Our Faith

As we work toward October 29 and the conclusion of our HE SHALL BE CALLED sermon series, we have 2 more names to look at via these bulletin articles.

John 18:37 *Pilate therefore said to Him, "Are You a king then?" Jesus answered, "You say rightly that I am a king. For this cause I was born, and for this cause I have come into the world, that I should bear witness to the truth. Everyone who is of the truth hears My voice."*

In our physical world today, we have two kinds of KINGS. Let's call the first a parliamentary king. The first is illustrated by the king of England, King Charles III. He is encircled by grandeur that the majority will never experience and gilded with tradition. He is distant in relationship with the common people. In terms of REAL POWER, however, he has little; his opinions are heard with politeness & patience, but his office is primarily ceremonial. The British prime minister holds the reins of government.

The other kind of king is the absolute monarch whose office is both ceremonially impressive and politically powerful. He is head of the state, he leads the nation, and his authority is final and absolute. An example would be many of the middle east and Asian countries.

Many people treat Jesus like a parliamentary king. Once a week (if it's convenient) they hold court with Him and make Him the object of great reverence. In their mind they encircle Him with the distant beauty of heaven. In actuality, He is distant in their lives. He is heard with politeness and patience, but in terms of daily life He has little influence over what they say and do.

Our Lord is an absolute monarch. He wants everyone 100% committed. He doesn't want anything less. Those who are less are really not part of His kingdom. Jesus doesn't want to be distant. He wants a up close relationship as He rules our hearts with compassion and love. Is JESUS KING OF YOUR LIFE?

*Please prayerfully consider attending every session of BLAZE. While BLAZE is primarily a youth event, there is something to gain for all ages. For the first time ever, my Alma grandchildren are available to attend so I'm looking forward to having them with me. They have to be back in Alma by Saturday night so they will miss the evening classes and the Sunday class and worship, but will enjoy and benefit from Friday night's lineup and most of Saturday's.*
