

The arrival of Josh Romo and family is just days away! I can hardly wait! It's going to be great here with Josh! As we wait for his arrival, what can you and I do for Josh as this new chapter in the history of 70 West church of Christ unfolds?

First and foremost, we can and should PRAY DAILY for Josh, his family, and his ministry among the 70 West family and our community. Prayer is vital as we beseech God's blessings on Josh and his family, especially the boys Jensen and Uriah as it is tough on children to leave their friends, and of course, the work here. With the Lord's blessings, all things are possible (Philippians 4:13).

Next, we can eagerly jump in and get involved in the new opportunities that will present themselves. I'm sure Josh will have many new ideas and suggestions on how to reach our community and how to make our family & youth ministry even better than it is now. With these ideas comes the need for volunteers. Remember, while Josh is a very capable ministry leader, he can't do it all by himself. Let's lend a helping hand. Remember, many hands always make the task go easy!

Third, we can make the move here to Hot Springs as smooth as possible. There will be furniture to unload and office supplies/books that will not move and unpack themselves. Dates and times to help will be announced later.

Last, we can have an open mind. Billy was not a carbon copy of me and Josh will not be a carbon copy of Billy. Each minister brings in his own unique abilities and talents. I believe if we will have an open mind, we will grow to love Josh and family as much as we loved Billy and his family.

I believe the future is very bright here at 70 West and one reason is the arrival of Josh Romo and family.

I'm due to arrive back from PTP tomorrow night. While at PTP I serve as a volunteer worker. I mainly stay in one or two rooms all day and record the classes in those rooms. I will be listening to the classes I missed as soon as they are all uploaded on the PTP website.

Now, as I close out all my online Bible classes, it is our hope, it is our wish, it is our prayer that we all live for Jesus 24/7...may God bless YOU!

**From Ronnie Gootam:**

Dear brethren,

Greetings to you in His Most Holy, Precious and Mighty Name of Our God the Father and Our Savior Jesus Christ. We Thank you so much for your continuous prayers. We are blessed beyond measure by our Lord.

I am writing to you of one concern I have from one or more supporters in the church at 70 West. The congregation oversees the funds I get from individuals and other congregations in the USA. Bro. Drew Hudgens and Bro. Tim Togami are in charge of the funds that are received there to be directed to me.

Some of the brethren at 70 West are mailing me cash to my address in India. We are highly thankful for your generosity. However, sending cash overseas has its risks of losing the funds especially in India where the mail from overseas are opened and read by the postal service members across the country. We do not know how much you are sending me. But we only received \$20 on multiple occasions. We do not know who is sending them and I have no way to thank you for your gifts. I understand you wish to stay anonymous.

We are not saying do not support us or the work. We always welcome cheerful givers and may the Lord Bless You More and More for your kind heartedness. We are humbly asking you to put your cash donations in an envelope and write on the envelope "To Ronnie Gootam." Bro. Drew and Bro. Tim will make sure your cash donations are directed to us for His cause.

This way you can still remain anonymous and 100% of your support is received to us and minimizes the risk of losing the funds in the mail to reach me.

Thank you once again for your kind help and prayers for us in His Kingdom.

*In Him,  
Ronnie Gootam.*
