

**This is the week!** Josh Romo & family will arrive this week and I'm so excited. I intend to ride Josh's coattails to spiritual growth with the 70 West family. While I celebrate the victories of which God blessed me, during my first 40-years of ministry (as all the congregations I served experienced phenomenal growth), it's clear my church growth methods are not working here. It's time for a fresh set of growth ideas and that's Josh! In my book Josh has the first choice for whatever he wants to do and I'm more than willing to take a backseat if it means spiritual growth here. Let's all get behind Josh and let's serve our great God together!

I created the class BIBLE INVESTIGATION in 2020, and I have completely enjoyed doing the class. Effective August, I will bow out of BIBLE INVESTIGATION as Josh replaces me at the mike. Please support Josh in this ministry.

It's not too early to start planning on your 2026 family vacation. Why not make next year's vacation a PRAY-CATION by attending POLISHING THE PULPIT in Branson. There's something for everyone at PTP.

How important is PTP? Let me illustrate with 2 examples: I attended PTP 2025 despite knowing that I would miss a number of classes due to currently experiencing a small medical issue right now (I have visited 5 specialists so far and number 6 will be soon). I also attended PTP 2025 despite missing out on a once-in-a-lifetime event. My friends invited me to attend with them the ALL-STAR GAME in Atlanta with the homerun derby and the ALL-STAR VILLAGE. This event was the biggest one in the last 25 years. The next ALL-STAR GAME in Atlanta will not be until 2050-2055. I gave this all up because I wanted to be at PTP 2025 and you will want to be at PTP Branson next year.

Please note, I will be out of town for a family event July 31-August 2.

Now, as I close out all my online Bible classes, it is our hope, it is our wish, it is our prayer that we all live for Jesus 24/7... may God bless YOU!
