Great news... the young man that I have been studying with during Wednesday Bible class time was baptized late Wednesday night. I first came to know this young man through counseling as I am helping him and his wife navigate a difficult time in their marriage. Please join with me in prayers for his new life as a Christian & for their marriage.

This online personal Bible class that I was teaching during Wednesday Bible class brings up a matter that needs to be addressed. I was informed that a person wrongly concluded that I was somehow skipping out of Bible class. Instead of coming to me & asking what I was doing in my office during class, they asked another person, thus creating doubt. If you have a question about what a fellow Christian is doing, please go to them directly. Future confusion will be eliminated by this simple step.

We are approaching one of my favorite times of the year... BLAZE! Once again, we have wonderful speakers lined up and great topics. SHOUT OUT TO JOSH HEADING UP THIS FANTASTIC EVENT. We are blessed to have Josh here @70 West.

Now, regarding BLAZE, Saturdays are always my busiest day as people are often off on Saturdays and can engage with me in Bible studies, counseling, etc. I have postponed all individual sessions so I can attend BLAZE, but I do have 3 large groups that I study with every Saturday.

Postponing these groups would impact a lot of people, especially the preacher training group I'm working with, so you will see me step into my office 3 times next Saturday. Rest assured, I'm not skipping a BLAZE class without reason. These 3 groups are important to me, and I don't want to disappoint them by postponing their class. I pray you understand. Now, as I close out all my online Bible classes, it is our hope, it is our wish, it is our prayer that we all live for Jesus 24/7...may God bless YOU!
