

BIBLE STUDY MADE EASY is one month old. How are you doing? What have you gained so far? Isn't it exciting to know that we are doing this **TOGETHER**. It's you, me, and God on a year-long chronological study of the Bible.

In my almost 50-years of ministry I have been blessed to direct 11 previous year-long Bible reading campaigns. I'm most excited about the 12th one ... **BIBLE STUDY MADE EASY**. I have learned from the past and I think **BIBLE STUDY MADE EASY** is by far, the best one. **BIBLE STUDY MADE EASY** eliminates the most common problems with Bible reading campaigns.

The most common problem is **GETTING BEHIND IN THE DAILY READINGS**. **BIBLE STUDY MADE EASY** solves that problem with its 7-minute video summaries. On very busy days just watch the video.

The 2nd most frequent reason stated by people was the feeling that the Bible was too difficult and, in their words, "boring" in places such as the many laws on dietary requirements and hygiene. **BIBLE STUDY MADE EASY** solves that problem by focusing in on the principles and concepts behind the laws, and not a memorization of laws that no longer apply to the Christians.

The 3rd reason from the Barna survey was the lack of a team effort. Many felt they were fighting this battle alone. **BIBLE STUDY MADE EASY** again solves that problem. B.S.M.E. is all about the team work as it encourages families to come together (see the **FAMILY FUN** material) and all of us to come together as a church family. We are doing this **TOGETHER**.

I'm especially excited about the evangelism aspect of B.S.M.E. and what may come from it. I have been blessed to direct 11 previous year-long Bible reading campaigns in my almost 50-years of ministry.

Those 11 campaigns directly produced 9 Christians (the campaign got the person interested in the Bible and that interest led to a study which resulted in a conversion). There has probably been even more than that number who have been indirectly impacted by one of the previous Bible reading campaigns.

The 9 conversions are an average of about 1 conversion per year that I have witnessed myself. Who will be our one conversion, and might we have more than one? What if that one conversion is **YOUR FRIEND** or **FAMILY MEMBER**. It could happen but only if you invite them to join us!

Please ask your friends & family to join us in the Bible reading campaign and please give them a notebook. Use the extra notebooks as a tool to encourage your friends & family in this chronological journey.

Now, as I close out all my online Bible classes, it is our hope, it is our wish, it is our prayer that we all live for Jesus 24/7...may God bless YOU!

Welcome You!

Ex 3:13-15

Then Moses said to God, "Indeed, when I come to the children of Israel and say to them, 'The God of your fathers has sent me to you, and they say to me, 'What is His name?'

"And God said to Moses, "I AM WHO I AM."
And He said,
"Thus you shall say to the children of Israel, "I AM has sent me to you."

Invite Your Neighbor To Worship!

A man came out of his house on his way to worship services one Sunday morning. At the same time his neighbor came out of his house, fishing pole in hand. The neighbor said, "Jim,

why don't you go fishing with me today. The fishing report from my buddies at work is that the bass are tearing it up over at the lake back around Buzzard Slew." Jim, with an expression of disgust on his face, replied, "This is the Lord's Day Bill, and my family and I go to church and worship God every Sunday. You know that I would never forsake worship to go fishing."

After a moment's silence, Bill sincerely and somewhat disgusted himself said, "You know, Jim, I have often wondered about your church, and I have admired your faithfulness. This is about the tenth time I have invited you to go fishing with me and you have gone with me on a Friday or Saturday, but you know, you have never invited me to go to church with you!"

How often do we invite our neighbors to worship with us that they might learn about Christ? We do things with our neighbors. We see them almost daily. We know them by name. Their children spend time with our children. But, do we encourage them to serve God. We may feel comfortable or adequate enough to study with them personally, but it only takes a minute to invite them to worship. Invite your neighbor to worship next week! You might just be surprised.
