This week in **BIBLE STUDY MADE EASY** Moses begins an exposition of principal laws, some of which he gives here in Deuteronomy for the first time and some of which he had already given but now further explains or reemphasizes. Although these laws are traditionally known as the Laws of Moses, it is of course God who is their source. Most of the laws are set forth in the form of statutes. Others are in the nature of case decisions or ethical duties. Some of the laws are given to meet only temporary or immediate needs, while others are intended to last for centuries. The laws are to be read to the people at regular times throughout each year in order that each person can learn them and have no excuses for not obeying them. These laws are ultimately designed to teach the Israelites (and us today) to respect and honor God, to make them holy and aware of their separateness as a specially chosen people, and to learn respect for the rights of their fellow Israelites. Laws regulating personal injury, or even diet, are no less significant than those regulating offerings. Any law from God is SIGNIFICANT. All are given by a personal and loving God to whom the people have sworn allegiance and promised obedience. These laws may sometimes appear to be cruel or unnecessarily harsh, particularly the penalties which accompany offenses. Yet what may appear to be cruel and unusual in today's world must be viewed in the context of the life and times in which the Israelites are living. Death and suffering are very much a reality to all people of the time in Deuteronomy and surrounding nations and kings practice unspeakable cruelties. Thus, the laws given to Moses are designed to lift the consciousness of Israel and impose a higher level of ethical conduct. The concepts of due process and equal justice found here are in the foundation of our US laws today. What do we gain by studying these laws today? We gain a higher respect of God ...a yearning to honor Him more each day ...and a desire to live better lives. May **BIBLE STUDY MADE EASY** continue to be a blessing to you! Kicking off Wednesday morning, April 1st, we will offer a morning Bible study here at the building for those folks who might have difficulty driving at night. This Bible study will be held in the large classroom. Please invite your friends to join us. Now, as I close out all my online Bible classes, it is our hope, it is our wish, it is our prayer that we all live for Jesus 24/7...may God bless YOU!

WEST

CHURCH OF CHRIST

Welcomes You!

Greetings from Nigeria!

I am in Akwa Ibom State, Nigeria where the temperature is hot and so is the evangelism! I have been busy already with visiting secondary schools for WBS enrollment and visiting several preachers and projects in the area. I am often encouraged by the work of so many good brothers doing good work!

I will be in Nigeria for all of the month of March visiting preacher schools, speaking in seminars, and, in the final week, conducting the Great Workshop –a collection of over 600 evangelists from all over Nigeria and even from the countries of Sierra Leone, Chad, Cameroon, and Ghana! We are also expecting 11 American visitors. What a week!

Thank you for your continued prayers!

*"And the LORD said to me:
 'What they have spoken is good.
 I will raise up for them a Prophet like you from
 among their brethren,
 and will put My words in His mouth,
 and He shall speak to them all that
 I command Him.
 And it shall be that whoever
 will not hear My words,
 which He speaks in My name,
 I will require it of him.*"

Deuteronomy 18:17-19

Meet Willie Bagwell!

I first met Willie Bagwell at Sardis Lake Christian camp three years ago. The thing that immediately stood out to me about Willie was his energy and how he was always smiling and laughing. He does a great job of connecting with people of all ages. I'm looking forward to getting to know him even better this summer and I can't wait for all of you to get to know him! Here's a short bio that he sent me:

"My name is Willie Bagwell, Jr. I am currently a student at the Memphis School of Preaching, graduating in June. I came to MSOP in order to learn the Bible better and become better equipped to serve in the Lord's Kingdom. I would like to consider myself to be a people person. I love working with people and seeing what I can do to help them in any way possible. I enjoy playing sports, fishing, and reading during my free time."

Willie will be an asset to us this summer and I'm sure you all will enjoy being around him. Let's make him feel welcome and encourage him as he works with us!
