

Dear Class of 2020 and Class of 2020 Parents,

I wanted to take a moment of your time to let you know of a recent change to our quarterly Checkpoints (alumni magazine) mailing effective 1 June 2020. Checkpoints will only be available electronically unless you specifically request to receive a physical copy by mail. **Information regarding updating your communication preferences is below.**

**Class of 2020 graduates** - Please take a moment to [update your mail/email preferences](#). One of the selections on the Communication Preferences page is electing to receive a physical copy of our Checkpoints alumni magazine. Checkpoints is one of the [many benefits available to our AOG members](#). If you are an AOG member, we want to ensure if you would like to receive a physical copy of Checkpoints, this option is available to you. Otherwise, please continue to enjoy the electronic version from your AOG Mobile Membership App ([www.usafa.org/app](http://www.usafa.org/app)) or on our website at <https://www.usafa.org/Checkpoints>.

**Login is required to update your communication preferences and view Checkpoints electronically.**

If you have not already done so, please take a moment to create a username and password on our AOG home page:

- <https://members.usafa.org>
- Click "New User Registration" and complete the required fields
- *Please note: new registrations and profile changes do not take effect immediately, but may take 2-3 business days to have full access or view your changes.*
- **As a graduate, you can also update your contact information through the online portal**

**Class of 2020 Parents** - I know right now you have a lot more on your mind than updating your son or daughter's contact information with the Association of Graduates, so we automatically updated the address of all Class of 2020 graduates to their parent's home address. If you would like to update your son or daughter's contact information, please call us at 719-472-0300 and our Customer Service Department will be more than happy to assist you. Additionally, if you would like to update your communication preferences you may do so on our AOG online portal. If you do not already have a login for our AOG website, please follow the same instructions above.

As always, please feel free to reach out to your Association of Graduates if there is anything we can do for you.

Very respectfully,

**Megan Bollman** | Membership Manager
