This form must be fully completed and returned before products can be produced or approval given.

All products bearing word marks, trademarks, logos, and/or symbols associated with The University of Iowa require pre-production approval from The University of Iowa Trademark Licensing Office. Licensed Articles must be purchased from officially licensed University of Iowa vendors thereby ensuring high standards of quality and workmanship sufficient to maintain the goodwill attached to The University of Iowa word marks, trademarks and/or logos. A list of officially licensed vendors can be furnished upon request. The University reserves the right to approve the quality and propriety of items carrying the Licensed Marks. All products are subject to approval by The University of Iowa Trademark Licensing Office prior to approval of I-Club or Iowa Club use. If approved, Client agrees to limit usage to the dates and products described in this application and agreement. Any changes or additions require separate and additional applications.
