Food / Beverages are Additional. Ask your funeral director for our approved caterer list.

Additional Savings Available - When you select a casket of your choice from one of Classic Collection, Commemorative Collections, or our Conventional Collection, you'll receive added savings. With 49 caskets to choose from within our collections, we're sure you will find one to meet your needs. The corresponding page reflects your additional savings as well as the total package price for each collection. Ask your funeral professional to show you the complete line of caskets in each collection.

These packages are available to our Client Families who purchase their Burial Casket through our firm. If another company provides the Burial Casket, we can offer the same items of Professional Services, Facilities & Equipment, as well as Miscellaneous Merchandise and other Tributes on an itemized basis, without any Package Discount. All package prices are effective November 1, 2016, but subject to change without notice.
