ASPPH is pleased to announce upcoming Webinars for Fall 2015!
The “ASPPH Presents” Webinar Series is a benefit to CEPH-accredited ASPPH Member schools and programs of public health. The mission of ASPPH is to transform public health by strengthening and promoting the education, research, service and practice activities of CEPH-accredited schools and programs and by advocating for the investment in science needed to advance population health and for evidence-based public health policies and programs. CPH CE credit available.
