Academic Public Health Practice Section
Draft Agenda

Wednesday, June 22

11:30 am – 1:30 pm  **ASPPH Optional Orientation/Information Session** .............................................Soho I

12:30 – 2:00p  **Registration** ..................................................................................................................Lobby

2:00 – 3:30p  **Opening Plenary** ...........................................................................................................Sands

*Diversity, Inclusion and Social Justice: Engaging Faculty, Staff and Students to Effect Change*

*Kim Bobby EdD,* Director, Inclusive Excellence Group, American Council on Education

3:30 – 4:00p  **Break** ...............................................................................................................................Lobby

4:00 – 5:45p  **Welcome Session** ...........................................................................................................Valley Ho I

Section members will have an opportunity to introduce themselves (name, title, name of school or program of public health, and number of years in current position). Members will also continue the conversation from the opening plenary by sharing examples of successful initiatives to increase or promote diversity and inclusion with students, faculty, and staff.

*Co-Facilitators: Daniel Handysides (Loma Linda), Joseph Telfair (Georgia Southern)*

6:00 – 7:30p  **Welcome Reception** ......................................................................................................Sands

Thursday, June 23

7:00 – 8:30a  **Breakfast** .........................................................................................................................Sands

*Morning Sessions*’ “Emcee”: **Daniel Handysides (Loma Linda)**

8:30 – 10:30a  **Leadership in a Crisis Environment** .................................................................Valley Ho I

*Leadership Role of Academic Public Health Practice in Addressing Community Crises (8:30 – 9a)*

This session will focus on the role of academic public health practice in addressing a community crisis. Examples include the Zika outbreak (Mayra Santiago-Vargas, Puerto Rico), the opioid epidemic (Elaine Morrato, Colorado), and gun violence (Harold Cox, BU).

*Balancing Roles as Practice Leads, Faculty, and Mentors: Challenges and Successes (9 – 9:30a)*

Section members will have an opportunity to share challenges as well as successes in balancing all of the responsibilities that come with serving as the school or program’s academic public health practice lead, teaching, and/or mentoring students.

*Co-Facilitators: Brandon Grimm (UNMC), Rob Simmons (Thomas Jefferson)*

10:30 – 11:00a  **Break** ............................................................................................................................Lobby

11:00a – 12:30p  **Small-group Breakouts** ..............................................................................................Valley Ho I

Section members will identify four or five academic public health practice related topics and break into small groups, based on interest, to discuss with peers. Examples of topics may include innovate practicum models, interprofessional education, experiential education outside the classroom, and international practicum placements.

*Facilitator: Jennifer Griffith (Texas A&M)*

12:30 – 2:00p  **Lunch** ............................................................................................................................Sands
2016 ASPPH
SECTIONS RETREAT

Hotel Valley Ho Scottsdale, AZ

Afternoon Sessions' "Emcee": Joseph Telfair (Georgia Southern)

2:00 – 3:30p  Academic Public Health Practice and Research Joint Session: ........Valley Ho I & II
Section members will join members from the Research Section to discuss cross-cutting topics, such as Promotion and Tenure for practice-based researchers; IRB and research requirements (e.g., cost sharing, indirect costs, and contracts); community involvement in research (CBPR); and different types of research (e.g., hypothesis/research question driven, outcome-intervention focused, and implementation research).
Co-Facilitators: Janelle Rios, Practice (Texas), Susan Emery, Research (Texas)

3:30 – 4:00p  Break.................................................................Lobby

4:00 – 5:00p  Peer to Peer Conversations* ........................................Valley Ho I
Informal networking opportunity to meet with your Practice Section colleagues to discuss the issues that keep you up at night. *Use Picture Roster to help guide conversations.

6:00p  Group Event/Networking Dinner
The House Brasserie, 6936 East Main St., Scottsdale, AZ

Friday, June 24

7:00 – 8:30a  Breakfast .................................................................Sands

8:30 – 10:00a  Role of Academic PH Practice in PH Workforce Development ........Valley Ho I
Members will have an opportunity to explore the role of the school or program of public health in workforce development, identify common approaches and practices for workforce development and preparation for employment/post-graduation (that are mutually beneficial for the student and the employer), and how academia and the workforce can collaborate to contribute to the field.
Co-Facilitators: Janine Jurkowski (SUNY Albany), Lisa McCormick (UAB)

10:00 – 11:00a  Demonstrating Excellence for Academic Public Health Practice.......Valley Ho I
Section members will discuss methods to increase awareness of the monographs within schools and programs of public health, discuss potential opportunities to link the monographs with population health and interprofessional education, and discuss opportunities to demonstrate excellence in academic public health practice and population health and interprofessional education.
Co-Facilitators: Elaine Morrato (Colorado), Joseph Telfair (Georgia Southern)

Links to Demonstrating Excellence monographs:
Demonstrating Excellence in Academic Public Health Practice
Demonstrating Excellence in Practice-based Teaching for Public Health
Demonstrating Excellence in Practice-based Research for Public Health
Demonstrating Excellence in the Scholarship of Practice-based Service for Public Health
