

October 10, 2013

Rheem is pleased to announce the introduction of our new low profile curb adapters. The first two models have been released and are ready to order NOW.

- RXRX-EACC35 – 3-5 ton Carrier to Rheem light commercial
- RXRX-EACT35 – 3-5 ton Trane to Rheem light commercial
- Detailed model listings attached
- Cost - \$325.00 each
- These adapters are classified as a “finished goods accessory” and will ship from FSM. Adapters can be ordered along w/ your other FSM shipped units and accessories
- FSM freight policy does apply
- Due to the additional ESP, Rheem recommends high static, belt drive blower motor option (...M) when utilizing any curb adapter
- Rheem REQUIRES high static, belt drive motor option when using the RXRX-EACC35 (Carrier to Rheem) curb adapter on 5 ton applications
- Adapters will be classified as CS (commercial stock) items and will be stocked in FSM by December
- Any orders placed now will be filled by mid-November or sooner

Place your order NOW to be 1st in line to this sales advantage

Thank you
