LOCKDOWNS

Critical Planning and Implementation Steps

- ✓ Six essential steps for successful lockdowns
- ✓ The critical lockdown lessons learned from Sandy Hook, VA Tech, and more
- ✓ The safe effective way to communicate with buildings in a lockdown
- ✓ Understanding special lockdown situations, including fire alarms, bathrooms, medical emergencies, recess, lunch periods, and more

PARENT REUNIFICATION

When Buses are Simply Not an Option

- ✓ The exact visual model every school should utilize for reunification
- ✓ Essential ingredients for a school parent reunification kit
- ✓ Why the use of non-school owned locations is a bad idea
- ✓ The key staff roles and responsibilities for a successful reunification process
- ✓ How to manage parents before, during and after the reunification

All attendees receive a course
Certificate of Completion

Featured Speakers

Lt. John LaPlaca (*Ret.*) is President of Altaris, a leading K-12 Emergency Management Firm based in NY. Det. Brian Shanahan is a seasoned veteran of law enforcement and former school resource officer. The two have lectured to hundreds of schools around the tri-state area in the area of safety, security & emergency preparedness.
