# INDIVIDUAL *Giving Societies*

Thank you for your generous support of Boys & Girls Clubs in 2013. You are among the caring individuals who enable Clubs to help young people reach their full potential as productive, caring, responsible citizens, and we are very grateful.

Our 2013 Individual Giving Societies Annual Report recognizes individual donors who provide support for the mission of Boys & Girls Clubs through three distinct entities:

- The Jeremiah Milbank Society, which recognizes unrestricted gifts of \$10,000 or more;
- The Lifetime Giving Society, which recognizes cumulative giving over a donor's lifetime; and
- The Heritage Club, our deferred giving society.

The thousands of names within this report represent the heart of Boys & Girls Clubs. Whether your contribution was to an annual campaign, the latest among gifts throughout your lifetime or is a deferred gift, you are providing crucial, critical support for our nation's youth. There is no more generous gift than one that prepares our young people for a successful, productive and great future.

Thank you, again, for your commitment to young people and for your continued support of Boys & Girls Clubs.

Sincerely,

A handwritten signature in blue ink that reads "James L. Clark". The signature is fluid and cursive.

## Jeremiah Milbank Society

This society recognizes donors who make unrestricted annual campaign gifts of \$10,000 or more to their Boys & Girls Club. Since its founding in 2004, The Jeremiah Milbank Society has generated an impressive \$287.6 million.

Society members collectively contributed \$50.6 million to support the mission of Clubs in 2013, the largest amount to date and an increase of 22 percent from 2012. Society membership increased 14 percent from 2012 with 1,880 individuals. More than two-thirds of these are renewing members, demonstrating a remarkable level of commitment to Clubs and the youth they serve. A total of 318 Club organizations reported Society members in 2013.

Funding from these donors helps Clubs provide core services and programs to positively impact young people each and every day. Boys & Girls Clubs of America salutes all of the generous, engaged and passionate members of the Jeremiah Milbank Society, and encourages others to follow their lead.

*(This listing includes all names submitted to Boys & Girls Clubs of America by local Clubs for gifts received by Dec. 31, 2013. Due to printing deadlines, names reported after Jan. 31, 2014, were not guaranteed inclusion. To the best of our knowledge, this information is complete and accurate.)*

THE  
HERITAGE  
CLUB

This national recognition group acknowledges the thoughtful individuals who have included a Boys & Girls Club in their will or estate plans. By providing a pipeline for future financial security, Heritage Club members ensure that Clubs will continue to provide vital programs and guidance for youth in the future.

In 2013, seven organizations recognized their first Heritage Club member. Since 2003, when the Heritage Club was established, 2,696 individuals have been recognized for their lasting legacy of support for Clubs and young people. Because of your support, there is now an estimated \$203.5 million in planned giving expectancies across the Boys & Girls Club Movement.

Boys & Girls Clubs of America proudly acknowledges and thanks these donors for their commitment to starting great futures for youth.

*(The following list includes members of Heritage Clubs as of Dec. 31, 2013 that were submitted to Boys & Girls Clubs of America's Planned Giving Club Services department. Names submitted after that date will be included in the 2014 report. To the best of our knowledge this information is complete and accurate.)*
