TRAVEL TIPS FOR THE KIMBERLEY & NORTHERN TERRITORY

Climate

The Kimberley & Northern Territory enjoy a semi-arid to tropical climate consisting of two distinct seasons called the 'wet' and the 'dry' offering two very different holiday experiences. The Dry Season from May through to October is characterized by clear blue skies, warm days, light breezes and daily average temperatures of 30 degrees celsius. The Wet Season from November through to April comprises of hot, humid and unpredictable weather with daily temperatures exceeding 35 degrees on average. Evenings are balmy and similar to conditions experienced throughout SE Asia, during the same period.

The best time to visit

To undertake extensive touring through the Kimberley & Northern Territory, we suggest visiting between May and September when warm sunny days and cooler nights make near-perfect weather. All tourism businesses are sure to be operating and a variety of events on offer including cultural festivals, outback horseracing and natural phenomena are fantastic experiences to weave into your itinerary. During these months the outback roads are most likely to be open for those wanting to embark on a 4WD adventure. Please be aware that June to August is peak tourist season so we recommend booking well in advance.

Swimming safely

- Always swim with a guide, or with a friend.
- Read and obey signs. Waters of the Kimberley & Northern Territory can be inhabited by crocodiles and if in doubt, don't swim, canoe or use small boats in estuaries, tidal rivers and deep pools.
- Box Jellyfish and Irukandji are potentially lethal marine stingers found along the coast predominantly from November until April. If you are stung, douse liberally with vinegar and seek urgent medical advice.

What to Pack

- Hat, sunscreen & sunglasses
- sturdy walking shoes
- Bathers & a towel
- Insect repellent
- Camera
- Back pack & water bottle
- Warm clothing for cool nights

Outback survival tips

- Let someone know your destination and schedule
- Carry extra water and food
- Make sure you know how to use a 4WD
- Plan your route and take maps
- If your plans change, let someone know
- If possible, carry some form of communication equipment
- If you get stuck or break down, always stay with your vehicle
- Prepare for the sun. Take extra care when outdoors between 10:00am and 3:00pm
- Be aware of tides when undertaking activity near water

BROOME

WELCOME TO BROOME

Once the pearling capital of the world, Broome is a unique town with a romantic and often flamboyant history. Surrounded by the sparkling turquoise waters of Cable Beach, with craggy red cliffs and endless white sands, Broome's stunning natural beauty and relaxed, tropical feel will capture your imagination. Established as a pearling port in the 1880's, Broome today boasts a multicultural population made up of the many nationalities who flocked to the shores of Roebuck Bay in the hope of making their fortune from the pearling industry. Remnants of the town's exotic past are everywhere. The unusual 'Asian Colonial' architecture that developed is evident throughout Broome, with Chinatown being home to the art galleries and pearl emporiums for which Broome is famous.

GLORIOUS SUNNY DAYS

Broome enjoys dry, sunny days during the peak months of May to October; a perfect escape from the winter chills of southern Australian states, with an average daily temperature of 31°C. Evenings can be cooler at this time of year with an average minimum of 16°C. The tropical summer is typified by humid days and balmy nights. Travel to the region at this time of year may yield some rain and access to Kimberley touring options are limited due to reduced road access. However, Broome takes on a dramatic personality during the tropical summer. The scent of frangipani is everywhere, mangoes are in season and the barramundi are on the bite.

Don't Miss!

- A visit to a Pearl Emporium in Chinatown
- Enjoy a cocktail at Cable Beach Club Resort & Spa's famous Sunset Bar
- Ride a camel train at Sunset on Cable Beach
- Catch a movie at Sun Pictures, Australia's oldest outdoor picture garden
- Visit Matso's, Broome's own micro brewery for a thirst quenching Ginger Beer.
- Shop for local crafts at the Courthouse Markets
- Take a Hovercraft Flight to discover Dinosaur footprints in Roebuck Bay

KIMBERLEY REMOTE ACCOMMODATION

Kimberley Coastal Camp ★★★★★

Admiralty Gulf, Northwest Kimberley Coast

Known as Australia's best kept secret, Kimberley Coastal Camp is a small lodge nestled on the shores of the Admiralty Gulf in the far North Kimberley. With numbers limited to just 12 and access restricted to helicopter and float plane, you would be hard pressed to find a place that intruded less on its surroundings.

Property Features & Activities

It's not just the location that makes Kimberley Coastal Camp so special. It's the quality of its tours, guides and hosts, that have people returning year after year.

Fishing: Considered one of the Kimberley's greatest fishing destinations, the Admiralty Gulf offers a variety of fishing options including rivers, estuaries, reefs and more.

Aboriginal Rock Art: Admire ancient Gwion Gwion formerly known as Bradshaw rock art, and the more recent Wandjina rock art with permission from traditional owners.

Wildlife and Nature: Without the introduction of feral plants and animals, you can enjoy wildlife in its natural environment on one of our guided walks through the Kimberley bush.

Boating: Venture out in the boats for a nature tour through mangrove lined creeks and around spectacular Boab fringed islands, perhaps popping ashore for a gourmet picnic.

Your 'room with a view' takes in views across the ocean to the Mitchell Plateau. Our hints to choose your cruise

The Kimberley Wilderness Cruise Experience

Exploring an ancient land, 2000 million years in the making, is an awe-inspiring experience. The landscapes of the Kimberley and Top End are amongst some of the oldest natural structures on earth. Dramatic gorges, river systems abundant with wildlife and exotic fauna, and secluded ancient rock art sites are just a few of the unique experiences of this region. Combine fishing for prized Barramundi, savouring Kimberley mud crabs and fresh rock oysters, pristine quiet and vast open skies, and you have the perfect ingredients for a holiday that will leave you spellbound.

A land of two seasons...

The Kimberley & the Top End of Australia is a semi-tropical region experiencing two distinct seasons;

the dry season, between the months of April through to September, enjoys daytime temperatures in the low 30's and cool starry nights. The wet season occurs during the months of October through to March. Monsoonal rain generally arrives from December through to March, replenishing the parched ranges and bringing torrents of water in cascading waterfalls. This time of year enjoys spectacular thunderstorms and breathtaking sunsets and the barramundi are on the bite. Humidity can be high with daytime temperatures often in the mid 30's with balmy nights.

Best time to go

The start of the dry season from April to June is the best time to experience a Kimberley cruise as the waterfalls and gorges are fresh and bountiful after the wet season rains. This is also the perfect time to visit Broome and Darwin, with some fantastic accommodation deals and packages available. See our website for more details on current offers www.broomekimberley.com.au

Choosing a vessel

Choosing a vessel for your Kimberley Wilderness Cruise is all about personal preference. The larger vessels offer a traditional cruise experience, including formal dining and large public areas, choices of bars, and theatrettes, with onboard lecturers to provide an insight into the landscape, history and culture of the region. Excursions are undertaken by expedition tenders. Smaller vessels offer an intimate experience with nature, crew and guests. Many of the vessels can navigate the tidal river tributaries to provide the extraordinary experience of a cascading waterfall over the bow, whilst offering a level of comfort and onboard services to meet individual expectations.

Is a Wilderness Cruise for me?

Relaxation is a fundamental component of a Kimberley Wilderness cruise. Enjoying the onboard facilities of the vessels and the joy of the natural surrounds will suit travellers of any age and fitness level. Excursions are not compulsory, but should you wish to participate, walking and

some climbing will be required to reach secluded art sites and secret swimming holes. Fishing is more frequently available on the smaller vessels.

Getting to the Kimberley & The Top End

Broome & The Kimberley Holidays utilise the services of Qantas, Virgin Australia, Skywest and Airnorth. Direct flights to Broome operate with Qantas from Melbourne, Sydney and Brisbane during the dry season. Virgin Australia also operate direct flights from Adelaide to Broome during this time. Daily flights operate via Perth to either Broome or Darwin operate all year round. Our special airfares used to create your holiday package ensure your holiday will be the best value possible.

Need more information?

Our friendly reservations team have experienced Kimberley cruise vessels first hand and will be happy to answer any question to suit your individual needs or recommend a vessel that will be just perfect for you.

The Ghan is one of the world's most fascinating train journeys and a living legend in Australia's history. Originally the Afghan Express, the name The Ghan was inspired by the pioneering Afghan cameleers who blazed a trading route into the inhospitable Red Centre of Australia over 150 years ago.

Traversing from north to south or vice versa, through Australia's Red Centre, you'll have three leisurely days on board this great train to marvel at the spectacular Australian landscapes; from the rusty reds of the MacDonnell Ranges surrounding Alice Springs, then north to Tennant Creek, Katherine and the tropical splendour of Darwin. In 2013, The Ghan's Platinum and Gold Service passengers will enjoy fully inclusive touring and beverages.

Travel in style and comfort in Platinum or Gold Service and immerse yourself in the destinations along the way with truly memorable and unique off-train adventures that deliver special memories. Enjoy a dining experience which tells the incredible story of the journey with local produce and tastes.

The Ghan passes through some of Australia's most beautiful and celebrated destinations. Guests on board The Ghan have the opportunity to step off the train to discover why these places make an Australian rail holiday a truly unique and inspiring experience. The Off-train tours offered include; Alice Springs Desert Park, Alice Explorer, Pyndan Camel Tracks, Nitmiluk Gorge Cruise, Nitmiluk First Gorge Rock Art Cruise and The Ghan Cultural Experience.

KATHERINE (NITMILUK)

KATHERINE

The star attraction of the Katherine region is undoubtedly the magnificent Nitmiluk Gorge and National Park. It's surrounds offer great fishing, hidden waterfalls and swimming holes, natural wonders and a rich cultural history. The Katherine River flows through 13 separate gorges and you can canoe, cruise and swim between sheer cliffs to the sandy freshwater beaches of the main gorges, and view ancient Aboriginal rock paintings high on the rock faces. Waterfalls and rock pools are found along the 100 kilometres of walking tracks in the Park.

Cicada Lodge

From \$645 per room per night

Katherine River, Nitmiluk National Park

Cicada Lodge is a 100% Indigenous owned accommodation property located on the bank of the picturesque Katherine River inside the Nitmiluk National Park, Katherine. A 320km sealed road leads to Cicada Lodge from Darwin International Airport.

Katherine Gorge features distinct sandstone country, lush gullies of foliage inhabit giant cracks in the gorge walls, and broad valleys meander through both the high and the low country. The diverse and spectacular land is also a cultural landscape, where the Jawoyn People continue to live and work while sharing their culture with visitors to their Country.

Cicada Lodge is designed for the discerning world traveller looking for an authentic Indigenous and natural Australian outback "experience-of-a-lifetime", in the heart of Northern Australia's Timeless North.

Property Features

The Cicada Lodge experience is that of exclusivity. Property features which are available to guests include valet parking, swimming pool with towels provided, pool deck with outdoor settings, complimentary Wi-Fi and a tour booking service. Cicada Lodge also has an on-site fully licensed Restaurant which is open for breakfast, lunch and dinner with a full bar service.

As soon as guests arrive they are greeted with a high quality of service. A porter service for luggage, with a complimentary glass of champagne or cold drink upon arrival. Each evening a "Welcome to Nitmiluk" is offered in the Cicada Lodge restaurant with complimentary sunset drinks and appetizers. Rooms are serviced daily, plus an evening turn down service is provided. Optional vehicle services are available on request.

Accommodation

Cicada Lodge delivers the highest standards of non-intrusive, world-class service in modern, architect-designed, fully air-conditioned rooms; each elegantly furnished in a contemporary, sophisticated style fusing international, modern Australian and Indigenous design elements.

Cicada Lodge has a total of 18 rooms. The Lodge's design emphasises and facilitates natural airflow, while blending well with its surrounds and the panoramic windows help create the visual effect of inviting the outside in. Cicada Lodge celebrates the monsoonal climate - seasonal tropical rains ensure the Lodge has access to an unlimited supply of fresh water and the giant 250mm "raindrop" showerheads in every bathroom have been specifically designed to pay tribute to the giant tropical monsoon raindrops.

Furnishings harness the Jawoyn People's colours of rich ochres and earthy browns, the orange hues of sunrise and sunset and the muted greens of the Australian bush. Rooms also showcase original Indigenous artworks which are also for sale to guests as a memento of their stay.

THE RED CENTRE

WELCOME TO ALICE SPRINGS & THE RED CENTRE

The heart of Central Australia, affectionately referred to as the 'Red Centre' is famous for its colourful landscapes. Cobalt blue skies shroud rich red rocks and mountain ranges that stretch uninterrupted for hundreds of kilometres. Alice Springs is a thriving, spirited outback town with a strong sense of its pioneering history. In the late 1800's and early 1900's, only the most intrepid pioneers braved its rugged environment to form a settlement. They included Afghan Cameleers and Gold Prospectors, later followed by the Telegraph Station, linking outback communities to the rest of Australia. Alice Springs is also a gateway for exploring the many of Central Australia's icons including Uluru (Ayers Rock), and Kata Tjuta, (The Olgas).
