Re: Proffer for Assistance to the United States Army for Wounded Warriors and Families

Dear Secretary Geren:

I am writing to proffer a \$100,000 contribution to the United States Army to benefit uniformed personnel wounded in Afghanistan and Iraq during the course of the War on Terror. This gift may also be used to assist the families of the aforementioned wounded personnel. In this regard, I have enclosed my check number 1576 payable to the order of the US Treasury to be used for the purposes set forth above.

I realize that this gift may not go far considering the substantial needs of our Wounded Warriors; however, I hope that it will help at least in a small way. I also made a similar gift in the amount of \$25,000 to the US Marines Semper Fi Fund. I have long been impressed by and indebted to the brave, uniformed men and women who freely volunteer and sacrifice mightily to protect our freedoms and to keep our country safe. These payments will never repay any of them for their service; however, I hope it will help. I would also like to acknowledge the assistance that Lt. General Pete Chiarelli provided to me in this process—he was very helpful in helping me navigate the intricacies associated with proffers.

It will be helpful to me if you can acknowledge receipt of this contribution by signing this letter as noted below and returning a copy to me.

Thank you for your consideration of this proffer. If you need additional information, please contact me at the address noted above or as follows—(email) [REDACTED] (office) [REDACTED] or (cell) [REDACTED]

Very truly yours,

ps—I have had the good fortune to get to know your father at various Texas A&M University events over the past few months and have really enjoyed getting to know him and to learn about your family.

I acknowledge receipt the enclosed check number 1576:

Dear Mr. Flores:

On behalf of the United States Army, I am pleased to accept the gift of \$100,000 to benefit uniformed personnel wounded in Afghanistan and Iraq during the course of the Global War on Terrorism. I have delegated authority to The Army Surgeon General to determine the best uses of these funds to assist our Wounded Warriors and their Families in accordance with your offer.

Our Soldiers and their Families will benefit tremendously from this thoughtful donation.

The Army is most appreciative for this most generous gift.

Sincerely,
