Have time to shop & avoid the lines!

This year, there are even more chances to see Santa during our expanded photo hours! However, if the photo line gets above a 30 minute wait, our convenient Bass Pass system will help reduce your wait time. A Bass Pass provides a designated time during the day to return to Santa's Wonderland® for your photo with Santa.

Once you have a Bass Pass, you have the freedom to explore the store while waiting in a virtual line until your designated Bass Pass return time arrives. When it's time to return, line up and get ready to share your Christmas wishes with good ole St. Nick.

This is why you may not see long lines in Santa's Wonderland, because our Bass Pass system is in place with several people ahead of you in their own virtual line.

Bass Passes are available at our Bass Pass Ticket Depot on a first come, first served basis each day. Once they're gone, they're gone!

For your convenience, Mondays-Thursdays are typically days with shorter wait times to see Santa.

PLUS! Receive a FREE Kids Meal at our Restaurant!
