

Validation Statement For EPM REDD + PROJECT

ICONTEC has been commissioned by EMPRESAS PUBLICAS DE MEDELLIN to evaluate the Project Description (PD) prepared by MGM Innova for the project titled EMP REDD + PROJECT Version 2 (September 23rd, 2013) according to the criteria set forth by the Climate, Community and Biodiversity Project Design Standards – Second Edition, December 2008.

ICONTEC conducted desk review and on-site visit activities in its evaluation of the project and uses the PD and additional information supplied by EMPRESAS PUBLICAS DE MEDELLIN and MGM Innova as the basis for its evaluation.

Based on the results of our validation activities that include: scope, criteria, cross check of references, project description and stakeholders interviews, it is our opinion that the project REDD + PROJECT is complete and meets the requirements of the Climate, Community and Biodiversity Project Design Standards – Second Edition, December 2008.

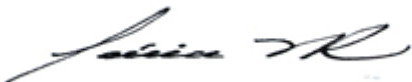

The Project also meets the requirements to be qualified as a Gold Level for Exceptional Biodiversity Benefits.
