Verification Statement

Climate, Community, and Biodiversity Project Design Standards

The International Small Group and Tree Planting (TIST) Program in India, CCB-001

11 March 2013

Project No. VO12059.00

This verification statement confirms that Environmental Services, Inc. (CCBA-Approved Verifier) has evaluated the implementation of the CCBA Project Description prepared by Clean Air Action Corporation (Project Developer) for the project entitled *The International Small Group and Tree Planting (TIST) Program in India, CCB-001*, dated 08 February 2013, according to the criteria outlined by the Climate, Community and Biodiversity Project Design Standards (Second Edition- December 2008) and that this verification statement is consistent with ISO 14064-3:2006 and ISO 14065:2007. This CCB project verification applies to subset of the TIST project in India and initially applies to 452 of the Small Groups; 2,599 members; 924 project areas; and 671.8 hectares (ha) (TIST India VCS-001). The dates of the period evaluated for this verification are 01 January 2004 to 12 November 2012.

Environmental Services, Inc. confirms all verification activities including objectives, scope, criteria, level of assurance, project description implementation, stakeholder interviews, monitoring report, and project implementation report adherence to the CCB Project Design Standards as documented in our report entitled *The Climate, Community, & Biodiversity Alliance Project Validation / Verification Report, The International Small Group and Tree Planting (TIST) Program in India, CCB-001* dated 11 March 2013 are complete and concludes without any qualifications or limiting conditions that *TIST Program in India, CCB-001* is without material discrepancy and that the verification activities provide a reasonable level of assurance. *TIST Program in India, CCB-001* meets the requirements of the Climate, Community, and Biodiversity Standards (Second Edition – December 2008) and produces net climate (16,961 tCO₂e), community, and biodiversity benefits.
