## VALIDATION STATEMENT FOR INSTITUTE OF ENVIRONMENTAL CONSERVATION - THE NATURE CONSERVANCY IN BRAZIL

Rua Padre Anchieta, 392 Mercês Curitiba-PR/ Brasil  
CEP : 80.410-030

### Validation Scope:

Rainforest Alliance has validated that Restoring the Cantareira Water Supply System: Carbon, Community and Biodiversity Initiative Project is in conformance with the *Climate, Community and Biodiversity Standard, Second Edition, December 2008*. The project is located in Minas Gerais State and São Paulo State, Brazil. This independent third-party validation covers an afforestation and reforestation project of 185.5 hectares of privately owned land. The objective of this validation audit is to assess the likelihood that the implementation of the planned GHG project will result in the GHG emission reductions and/or removals stated in the project GHG assertion. The information supporting the GHG assertion is projected in nature. The project estimates it will lead to a reduction of emissions over the course of the 30 year project lifetime. The project was evaluated to a reasonable level of assurance.

**Validation Registration Code: RA-VAL-CCB-016338**

**Effective Date: 09 July 2012**

The validity of this statement is contingent upon the project's continued implementation of the *Climate, Community and Biodiversity Standard, Second Edition, December 2008* and as further defined in the Rainforest Alliance Validation Audit Report dated 09 July 2012.

Joshua Tosteson, RA-Cert Director  
Rainforest Alliance  
665 Broadway, Suite 500 New York, NY 10012 USA

This validation was conducted in collaboration with Imaflo, a subcontractor organization of Rainforest Alliance.

Rainforest Alliance provides carbon project validation and verification services, based on protocols and standards developed by third party organizations and for which Rainforest Alliance has been accredited as a validation or verification body. This statement signifies that Rainforest Alliance has validated that the project listed above conforms to the particular standard listed above, as set forth in the audit report referenced above. In no circumstance does Rainforest Alliance warrant or guarantee the delivery of carbon emissions reductions credits or the financial or market value of any credits verified in connection with this validation statement. This statement is prepared solely for the benefit of the organization listed above and may not be relied upon by any third party without the express written consent of Rainforest Alliance.
