Journeys Attitude That Cares Scholarship Fund

Eligibility

Journeys employees must meet the criteria of working at least 12 weeks in the past 12 months. Those 12 weeks do not have to be consecutive weeks. As Journeys is a division of Genesco, Inc., applicants are also eligible to apply for the Genesco Scholarship if they meet the criteria. Applicants may attend community college, vocational schools, accredited online institutions and accredited colleges and universities. Applicants must be in good standing with Journeys upon application and receive a recommendation from an immediate supervisor. Scholarships are based on merit and need. The scholarship is renewable, but students must reapply each year. Renewal is possible but not guaranteed. Scholarship awards will be sent to the college/university where the applicant plans to take courses.

History

The Journeys Attitude that Cares Scholarship was created to provide financial assistance for employees of Journeys who wish to pursue continued education. As a way to live our core value of being a family with an attitude that cares, Journeys wishes to support employees and their futures by providing scholarships.
