*The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.*

***Prices subject to change without notice.***  
*These prices are effective as of October 1, 2014.*

It is our hope that you understand the charges listed in this price list. At Umpqua Valley Funeral Directors, we feel that you should be able to understand what you will be charged. With the exception of our basic services fee, you can pick and choose any items you like in order to customize a funeral that's right for you. Our services are divided into five categories:

- ~ Funeral Director Services
- ~ Care and Preparation
- ~ Facilities, Staff, and Equipment
- ~ Motor Vehicle and Staff
- ~ Memorial Items and Products

You have a choice from a customized funeral to a minimal service. If you want to customize a funeral according to your specific wishes, you'll need to start with Basic Services (*our basic services fee is mandatory, but everything else is your choice*), then add whatever you like from each of the other four categories.

If you would like minimal arrangements, you can find immediate burial or direct cremation in our Funeral Director Services category. If you don't see something you'd like, just ask. We'll do our best to accommodate you. It is important to remember that this is a time to celebrate a life lived and our goal is to honor and respect your choices along this path.

If you have any questions at all about this general pricing list, please contact us at any time.
