Additional body preparation services

It is strongly encouraged that human remains be identified whenever possible. The identification may be made by a relative, friend, neighbour, co-worker or clergy person. While identification of a body is possible with the minimum required preparation, you may wish to consider selecting embalming, as it might present a more peaceful final viewing. Embalming is not legally required but may be recommended to preserve the body between the time of death and final disposition. One of our funeral directors will be able to guide you on preparation options and make recommendations.

Visitation

These are informal gathering periods that allow family and friends to come and pay their respects and offer comfort to a grieving family.

Funeral services or celebration of life

This is a service to commemorate the deceased, which takes place after the body has been cremated. The cremated remains may or may not be present, as preferred mementos might also serve as a focal point during the memorial service.

CASKETS

The following caskets listed are those generally available. Additional options are available upon request. Unless otherwise noted, all caskets listed are standard adult size.

Minimum requirements for a casket:

For burial: The least expensive wood casket is suitable and is required by most cemetery by-laws for interment, in the interest of the health and safety of the workers involved in the interment process. A metal casket may also be used for burial. A growing number of cemeteries in Ontario offer "green" burials, which may consist of interment of a body without a casket. Since there is no legal definition for a "green" burial, it varies from one cemetery to another. For more information, please speak with one of our funeral directors, or visit www.greenburialcanada.ca

For cremation: A body must be presented to the crematorium in at least a basic rigid container that is made of a combustible material, such as wood or cardboard. Caskets containing non-flammable, hazardous material or chlorinated or fiber-reinforced plastic, other than incidental metal, cannot be used for cremation. We offer a selection of inexpensive caskets below that are suitable for cremation.

ALL CASKETS ARE ADULT SIZE UNLESS OTHERWISE NOTED.

VAULTS & GRAVE LINERS

Outer burial containers listed below are for standard adult size caskets. Oversize vaults are available to accommodate plus-size caskets. Price includes grave set up and lowering device.

You do not have to purchase a vault, unless the Medical Office of Health has made the use of vaults and grave liners mandatory in the entire cemetery. A cemetery operator may designate a specific area in the cemetery where vaults or grave liners are required; however, the operator must have another area where vaults or grave liners are not required, so that consumers have a choice. A vault or grave liner may be recommended when there are environmental conditions such as poor drainage, or for practical or aesthetic reasons.

PAYMENT, FINANCING & FUNDING

For services at time of death:

Payment for services and merchandise is due within 30 days of signing the contract, beyond which interest will be charged at a monthly rate of 2%, which is equivalent to 24% per annum (APR). Payment may be made by cash, cheque, debit or most major credit cards. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Disbursements are to be paid at the time of arrangements.

For at-need arrangements - 3 % discount on services and merchandise if paid by bank draft, cheque or E-Transfer within 5 business days of signing contract.

If a collection agency is used to collect all or any part of unpaid charges, their fees will be added to the outstanding amount.

Financial assistance for funeral, burial and cremation services is available through various government agencies, to those who qualify.

Prepayment in advance of need:

For services that are being arranged pre-need, we offer funding when prepaying services or supplies:

Trust: You pay for the services and supplies at today's price and we will place your money in a trust account, where it will accrue interest until the prepaid contract is fulfilled (when the services and supplies are delivered). Pre-payment can be made by cash, cheque or credit. Funds are held in the purchaser's name.

Guarantee: When paid in full in accordance with the payment terms set out in the prepaid contract, the prepaid contract is guaranteed. The total payment(s) made plus interest / growth earned will be applied to the "at need" price of the services and supplies. If the total payment(s) plus interest / growth earned are in excess of the "at need" price of the prepaid services and supplies, the funds will be returned or applied toward additional services, supplies and disbursements purchased at the time of need, as applicable. Conditions apply. Any changes to the prepaid contract may result in the prepaid contract being null and void and a new contract being executed with current pricing at the time changes are made.

For pre-need arrangements - 3 % discount on services and merchandise if paid by void cheque (preauthorized withdrawal)

Additional information about payment, financing and funding options is available upon request.

PLEASE BE ADVISED – MANY THIRD-PARTY INSTITUTIONS HAVE PROGRAMS FOR FINAL EXPENSES. ONLY A PRE-ARRANGED CONTRACT SIGNED WITH A LICENSED FUNERAL OR TRANSFER SERVICE OPERATOR IN ONTARIO IS GUARANTEED. A CONTRACT SIGNED WITH ANY OTHER FINANCIAL INSTITUTION DOES NOT GUARANTEE FUNERAL EXPENSES AGAINST INFLATION.
